now to sent you there out promptly as I can, also I want
to tell you about my trouble with an Indians about five
years ago. their through me into the prison here at
Florence. Arizona

I am always trying to do right for an Mohave apaches
I help all I can for them, but their turn sideways to me and
said that's an just made up a talbe for myself, they always
said that to me all time.

Whenever I interperter for them, when they got in trouble, they always
get after me about just little things but I don't mind to them,
than they keep on an after me, they try to put me in the trouble,
the way trouble come,

though now they got me in trouble five years ago now,
those apacher Mohave Indians they get after me and try to

killed me, but I done at in self defense and save my life,
all the Indians got after to killed me so. I run into
the Town of Jerome, Arizona, and gone myself up to the
the Write States Marshall at Jerome, and he took me to
the town of Prescott, Arizona, and have tried there,
and get my Sentence in life term in prison, and some of
the white people who they knows me that I was a good man
among them they all beliving that I am self defense doing that,
also I got a Friend the Supt of missions work among the Indians.
He is always come to see me here in prison.
because when I was outside a good Friend with each other he knows me
what kind man I am, I'll always stand for the white so their
knows me very well, but I am sorry to say that I am here in
the prison for a life term, not my fault but their faults they
leave me lone I'll be in Washington, that time I have arrangements
to go Washington, I want to get a land for the Indians to start
that week but they get after me at same week and try to killed.
with gun and their shooting us around with my Brother,
and only my Brother got shot on his arm.
then all of the Indians are against me when I was on

my trial they didnt told truth on my case,
but now some time ago, I got a letter from my Brother,
said they made an affidavit to White States —
Marshall at Jerome, Arizona.

well, I wante you to look into it if you wante to
know anything about my conduct in prison,
just write to the Superintendent of Prison,
Box, B. Florence, Arizona.

and hoping to hear from you again,
from yours truly. Friend,

Justin, Head.

My dear Friend:

I have received your letter of February the 4th, informing me that you are planning to leave for the east in the very near future. I am pleased to know that such a chance has been given you and when you arrive here I will gladly do what I can to find employment for you.

I regret to inform you, however, that it will not be possible to provide transportation for you. You have reached the age where enrolment at Carlisle is no longer possible, and the supervision and assistance that will be extended you will be such as is given to any of our former students who deserve aid, but not the Government maintenance that is afforded students who are regularly enrolled.

Hoping that I shall hear soon when I may expect you to arrive here, I remain,

Your friend,

Dear friend Justin:

I am returning herewith your letter regarding the money that Zepheniah owes you because I cannot take the matter up with him. If I would try to collect all the money that each boy and girl owes another boy or girl, I would do nothing else but that. It would take all my time. I cannot undertake such a job as that. I have more than I can do, and do well now. I will leave you and Zepheniah to settle that matter between you. You see that I have all the money matters between the pupils and patrons to settle besides all the other work that has to be attended to. I am sorry that I cannot help you.

This is the same home about which Mr. Dickey spoke to you sometime ago. Miss Peck lives in Tullytown and needs a man to manage her farm for her. I think you will be just the man to do this for her. She will pay you good wages, perhaps not so much in the winter time when the work is not so hard as she would in the summer.

I will send you another pair of shoes to replace the ones which are too small for you. You can take the small shoes with you to Miss Peck and Mr. Dickey will get them from you when he goes there.

I want Mr. Dickey to see you and talk over this matter before any change is made so I will ask you to stay where you are until he sees you. Mr. Dickey will not be out there until after the first of October as he is away on his vacation just now.

It does not seem necessary for me to tell you as I would have to tell some of the younger boys under the outing, to be patient and do your work as well as you know how until your case is settled. Dear friend:-

I am writing to remind you of some of the duties you owe Miss Peck. We placed you with Miss Peck this fall after careful consideration because we thought that being a man, you could take the responsibility of the work she requires on her farm. She is a woman and has her own work in the house and she needs you to be on the farm all the time to see that the work there is done properly. When she depends upon you to be on the farm to see that the work is done, you should be there and not go off for a day or two at a time.

We have told Miss Peck that you are a good steady, faithful worker and can take care of her farm for her, under her supervision, of course, and I hope we have not misplaced our confidence in you. I hope you will not go off and leave her again with only the small boy to help her.

Mr. Rutherford says he has received your letters and is glad to know you are getting along well. He also says that he is trying to secure a pardon for you and asks me to write to the Governor of Arizona in your behalf. I will consider doing this for you, if your conduct continues good. You have done well most of the time under the outing although you had some trouble with Mr. Hicks this summer and got into some kind of trouble while you were with Miss Peck. I will ask Mr. Dickey to investigate this trouble which you got into and if you can show that you were not to blame, I will consider your case favorably. TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, It appears that one JUSTIN HEAD, theretofore duly convicted in the District Court of the Fourth Judicial District of the Territory of Arizona, in and for the County of Yavapai, of the crime of murder in the second degree, was, by the Judge of said court, sentenced to serve a life sentence in the territorial prison dating from the 7th day of December, 1906, and since said date he has been confined in said institution; and

WHEREAS, It appears that Mr. Frank E. McCrary, Parole Clerk, and Capt. Thomas H. Rynning, Superintendent of the Territorial Prison, have made a careful investigation of the prison record of the said Justin Head and find the same to be excellent, and that they have every reason to believe that if his said sentence be commuted and he be released on parole he will live without violating the law and will fulfill all the conditions required of him; and

WHEREAS, The Board of Control, being fully advised in the premises, recommends that the sentence of life imposed on the said Justin Head be commuted to a term of thirty years, that he be given the benefit of any good time which he would have earned had he been sentenced originally to thirty years imprisonment instead of life, and that a parole be granted to him as provided by law, upon the condition that he will go to his first friend and adviser M. Freedman, Superintendent of the United States Indian School, Carlisle, Pennsylvania, and report to him in person; that he will on the first day of each calendar month and until discharged from parole, make a full written report to the Parole Clerk, Territorial Prison, Florence, Arizona, of his work, conduct and earnings during the previous month and that he will submit each such report to his first friend and adviser for cer-

tification before forwarding same; that he will not return to Arizona, while on parole, without first obtaining consent of the parole officials of Arizona; and that he will live and remain at liberty without violating the laws.

NOW, THEREFORE, I, RICHARD E. SLOAN, Governor of Arizona, by virtue of the power and authority of law vested in me by law in that behalf, do hereby grant unto the said Justin Head a commutation of his said sentence from life to the term of thirty years beginning from the date of his said sentence, to-wit: from the seventh day of December, 1906, and that he be given the benefit of any good time he would have earned had he been originally sentenced for thirty years instead of for life; and further, I do hereby grant unto the said Justin Head a parole and do order that he be released from imprisonment in the Territorial Prison on the terms and conditions contained in the recommendation of the Board of Control herein-before stated.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the Territory of Arizona to be affixed.

Dear Sir:

Your favor of the first received. Replying will say that I trust that Justin will come out all right, and that I hope the little matter he got into will not prove to his detriment.

I am enclosing a letter just received from him. In your former letter you asked me if I had advanced his fare, and I replied that I had not. But I did make a trip to Yuma, 300 miles to see him, and three or four trips to Phoenix, 180 miles distant in his behalf and finally succeeded in securing his parole. For this he promised me \$50. and seems willing to pay it, so I am ready to receive it, altho to tell the truth I never expected to receive anything, as I presumed that Justin would never have a chance to earn much than his board.

I am going to take up the matter of his pardon with Governor Hunt, and will appreciate any assistance you may render.

Dear friend:-

Your letter, in the absence of Mr. Lipps, comes to me for attention. You can tell the party with whom you board that I will advance enough of your money here in bank to pay your board for the first week you are there, until you are able to pay your board from your earnings. You can tell him to send me your bill for the first week.

You have already drawn \$70 of your account in the last two weeks and owe Dr. Boyer \$25 for dentistry work. I think it advisable not to draw upon your account any more just now. Will you sign the enclosed check for \$25 made payable to Dr. Boyer, and return the same to me in the envelope enclosed.

Very truly yours

Dear friend:-

I enclose herewith a check for \$25 made payable to Justin Head, this amount to be used to pay his debts.

I have no check to Trenton via the Philadelphia and Reading so will send it by express and mail the way bill to Justin at 501 Calhoun Street.

Miss Rice is not so busy but what she can take charge of the outing office for a day if you do not finish all the outing work by Wednesday. It would be better to finish up the matters regarding Alex Roy, Guy Burns, Charles Roe and Frank Summers before you return.

Dear Mrs Denny,

Enclosed you find
Justin Heads check drawn &
order of H. M. Boyer which
he signed for me.

I found Justin in very
hard circumstances as he
pawned his best clothing in
order to secure room and
board. He had a position offered
him which is yet pending
at \$1.50 per day but having
no working clothes with
him he simply waited
for his request to be
filled from school.

B. C. KUSER.

TRENTON, N. J.,

Justin bought an overcoat and two suits of clothes with the money which he drew while at Barliss and one of these suits is in the pawn shop. It will now take \$25 to secure his clothing, pay his board and get him on his feet again.

After having a long talk with Justin I learn that his intents were good when he decided to go to work here but his blunders have set him back.

My first thought was

B. C. KUSER.

TRENTON, N. J.,

To return Justin to Carlisle
but that would only add
to our troubles as these
debts must be paid and
there is no employment
for him at school.

Kindly send me Justin's
trunk via the Philadelphia

so that I can get working
clothes for him. You will
find his trunk in the

name is written on it. By
sending it via P. & R. it will
save expense of transfer
from depot to his boarding place.

B. C. KUSER.

TRENTON, N. J.,

Also send \$25 of his earnings if at all possible so that I can redeem his clothing and get him started. Please draw check to Justin's order and I will see that he pays his bills before leaving him.

Justin will be alright here until final disposition has been made of him - providing they are not too long about it. Please understand that what Justin has

B. C. KUSER.

written should not go into record against him as a man. It is only because he does not understand as we do. He saw Mr. Sipps' name on check sent to him and so concluded that Mr. Sipps was at school but shifted his letter to another. After I explained to him he said he was sorry that he wrote a mean letter to Mr. Sipps.

My best judgment in this case is to set Justin to work where he can do for himself

Dear Mrs Denny,

Justin head is not a
pupil of Carlisle and I cannot
see where we are obligated
or justified in helping him
further. He has worked only
two days since I saw
him last and he has but
five dollars of his money
left. He gives no excuse
for writing the letter that he
did only he said he was too
sick to write well. It is
a pure case of acting the
opposum.

I first tried to locate a
position for him on a farm
then I tried employment
bureaus and private offices
in the public works. We
have been on the go
all day but no definite

place has been found. Among the farmers I tried, Geo. Row, Joseph Palmer, L.B. Brown, Wm Balderston, W.V. Ackers, Percy Dred and many others who are strange to me. All positions are filled and many men are out of work so that a position seems out of the question.

I offered to take Justin to Philadelphia with me this evening and pay his way back to school but he did not want to do it. I then insisted upon his going explaining the destitute condition that he would soon be in. He refused saying the school has nothing to do with him and that money at school is his money. He left

Hotel Sterling
Chas. J. Furg

me saying he would look
out for himself. Had I
written authority to return
him by force I would do
so but in as much as he
is not a fugitive and there
seems to be no advantage
by having him returned
I just let him go.

He will soon have his
bit of money spent then
he will either find a
position or go back to
Carlisle of his own accord.

My idea would be to
let him go for the
present but if you wish
him returned by force
give me written instructions
to that effect.

Justin has told me
very truthful things so that
I have lost dependence

Hotel Sterling
Chas. J. Fury

upon him - He told me
Palmer wanted him to go to
work on the farm soon but
when I called Palmer he had
a different story -

I hope to have nothing
more to do with Justin
until definite action can
be taken. There is not much
danger of his getting so far
away that he cannot be
found for a time. I know he
expects to stay in this locality.

Enclosed find his letter

I have had Justin Head's case reported to me and advise that you go and see him again. I want him to understand clearly that he is under the control of the school. The Arizona State authorities placed him on parole in care of the school. If he shows any disposition not to do as the school authorities advise, I shall get into immediate communication with the Governor of Arizona, who will send officers for him, and he will be sent back to the penitentiary or be placed on parole somewhere in the state.

If Justin cannot find work in Trenton or vicinity, you will have to bring him back to the school and he can work in the shop here.

Dear Sir:-

I write you with reference to Justin Head, an Apache Indian, in whom you are interested and with whose history you are familiar. Arrangements for Justin's coming to the Carlisle school under parole, were made during the term of my predecessor and it was only about a month, when he came in sick from the Outing district, that I saw him for the first time. While now enrolled as a pupil of this school, he has worked in our outing district, under our outing rules and has been most of the time under the care of our Outing Agent. He has saved one half of his wages and had to his credit in bank here when he returned to the school about a month ago, \$178.00. He has drawn out \$120.00 since leaving a balance of about \$59.00 due him.

He was allowed to return to the Outing district at Thanksgiving time to visit friends. He did not return to the school and the Outing Agent who went to visit him and make investigation, returned yesterday and reported to me that Justin was married on the 5th. of this month to a colored girl. He claims that the school has no authority over him and that they have no right to hold his money. As he is over age, there is no law to compell him to comply with our school regulations and we cannot longer be responsible for him.

I understand from one who knew him at his home and knows his people out there, that should he return to Arizona, his enemies, in all probability, would kill him. Up to the last month or two his conduct has been good, he is industrious and he does not drink and I believe that he could secure work in this part of the country and make a living. While I am willing to cooperate with the Arizona authorities in this man's interests, I do not care to pass any judgment upon the matter of his pardon.

I would appreciate it if you would communicate with the Governor of your state, giving him the information I have given here and let me hear from you at your earliest convenience as to what disposition will be made of Justin. His present address is 501 Calhoun Street, Trenton, New Jersey.

Wentworth N. H. January 4, 1915,
Mr O. Lipps

Dear Sir,

Mr Justin Head has called at my house and shown me a letter dated the 2d. inst. from you relative to his getting certain money that he claims is on deposit to his credit at the Carlisle School for Indians.

I am informed by Mr Head that he has left beyond the control of your department, that he is a citizen and owns a homestead in Arizona, and that he votes at Jerome. He claims that there is now a Balance of some more than \$50.⁰⁰ and some cents, standing to his credit at the School. That he has written for it and received no attention, and that being out of work he has been compelled to pawn clothing to keep from starving; I have given him several meals as a matter of humanity, and now feel that he should have his money from the School not only as a right but also as a necessity.

I am not passing upon any of the facts involved except as herein stated, and as he is of age and claims full

citizenship it seems more than strange,
that he should be obliged to beg while
the government or your department are
holding up his money,
it does not require the exalted learning
of our administration at Washington
to know that Millions of men are out of
employment and many thousands are
falling into the Bread lines to keep
from starving.
Now if the facts are as he recites, it
seems to me the delay in getting relief
to him from what he claims belongs
to him, come mightily near being a shabby
outrage.

I shall await your reply a reasonable
time, and in default, I shall present
that matter to the Sen. from Arizona,
and some other senators that I have
relations with.

Your letter of the 4th inst relative to Justin Head has been received. I gather from your letter that Justin has not told you all the facts connected with his life. He is a prisoner, placed on parole by the Governor of Arizona, under the protection of the Carlisle Indian School. I have written to the Arizona authorities regarding his conduct the last few months and asking what disposition they wish to make of him and am now awaiting a reply to this letter.

He has \$59 to his credit in bank here but I think it best to retain this amount here, pending the decision of the Governor of Arizona. Justin wrote me that he was working and getting long well.

A copy of the letter written to Justin Head, releasing him from the school's authority, was sent to Mr. Hall Jan. 12, 1915.

Justin Head

Trenton, N. J. January 10. 1915.

Mr. O.H. Lipps, Supt. U. S. Indian School.

Carlisle, Pa.

Dear Sir:

Your letter of the 10th. inst. relative to Justin Head was duly ~~duly~~ received; I have seen Head since receipt of your letter, and heard his story, and have written to Arizona for confirmation.

I regret that this matter had not come to my attention sooner for my Washington Atty.-at-law Mr. John B. Dahlgren, was in that State a short time ago and is now due at Washington.

If as you state, this man Head is under the protection of the Carlisle Indian School, I cannot understand why you are not extending the protection of the school to him; One does not have to draw upon the imagination to realize that, ~~that~~ thousands of men are out of employment, and that in the large cities bread lines have been established to save men from starvation.

This man Head is without employment, and I know he has been seeking work for many days, and that his chance of finding work is much less than those who are known. I can see nothing ahead for him in this section of country; he claims that two farmers in Pa. near here, are owing him wages and that he cannot get money from them.

If he is under the protection of the Indian School, now is the time to apply that protection and to call him within those limits where such protection can be exercised.

You have admitted that he has some money to his credit at the school; it seems to me that, the proper and simple thing to do, is to write to him and send him say \$20. to redeem his clothing and pay his transportation to the school, and when you have him there you can take all the necessary time required to get your lines opened with the Arizona authorities, this course should be taken at once.

It appears a mighty singular case that, a man convicted of a capital crime and sentenced to life imprisonment, should be paroled in five years after sentence, and the Federal Government take the convict under its protection, and then turn him adrift, and when he is starving, prolong the pleasure by unnecessary doses of red tape.

Perhaps Gen. R. H. Pratt, or Mr. M. Freeman might enlighten the school upon the case, but delays are not desirable, the thing to do is for the school to call in its ward and discharge its obligation to protect the man.

I have no personal interest except such that belongs to every citizen, and which every citizen is by all that is right, bound to exercise when confronted with such a case.

Yours truly,

DEPARTMENT OF THE INTERIOR

OFFICE OF INDIAN AFFAIRS

WASHINGTON

SEP -8 1918

Mr. Oscar H. Lipps,
Supt., Carlisle School.

My dear Mr. Lipps:

Receipt is acknowledged of your letter of August 25, relative to the misconduct in Trenton, N. J., of an Apache Indian by the name of Justin Head, who was convicted of murder and in the second degree in Arizona in 1906, / sentenced to life imprisonment, later being paroled, after the life sentence had been commuted to thirty years imprisonment.

It is noted that the Carlisle School has severed all official relations with Head and that it is your wish that some plan be worked out whereby the said Head may be removed from Trenton, N. J., which is included in your outing district.

You are advised that while the Office appreciates the fact that some steps should be taken looking to an improvement in Head's deportment, or his removal from Trenton, it does not believe it would be proper to consider his removal to an Indian Reservation, in view of the fact that his own people are hostile to him and have filed a petition, in response to an inquiry from the Office as to their attitude, that he not be permitted to return to his home in Arizona.

If he is considered dangerous and undesirable at home, there would be no guarantee that he would not be the same on some other reservation.

The fact that he now has a negro wife in Trenton would also, no doubt, be unfavorable to him were a transfer considered.

The Office is this day writing Mr. Head relative to his misconduct, calling his attention to the conditions under which the parole was granted. In the event that there is no improvement in his conduct, it might be well to again call the matter to the attention of the Pardon Clerk of the Arizona State Prison for his consideration and such action as he may deem proper.

A copy of the prison record and description of Head which shows was furnished this Office that Head was married at the time of his incarceration. It is suggested that you correspond with Dr. J. J. Taylor, Superintendent of the Camp Verde School, Arizona, for the purpose of ascertaining Head's marital status in Arizona, at this time. If his Arizona wife is still living, it would appear that he is guilty of bigamy in remarrying in New Jersey. Proof of this fact may be important in the event that it is found expedient to remove Head from New Jersey.

I trust that you will be successful in obtaining sufficient evidence against the parties who recently sold liquor to three of your outing students who were found in the company of Justin Head, on which to base a prosecution against the offending persons.

The papers inclosed with your letter are returned herewith as requested.

Very truly yours,

Assistant Commissioner.

DETAIN INDIANS PENDING PROBE OF DRINK SALE

**Both Federal and Local Authorities Will Investigate
Law Violation Here**

THREE OF PRISONERS NOT OUT OF TEENS

Stirred to action by the presence of four Indians in Headquarters Police Court here today as a result of their ability to obtain intoxicants, both the United States government and the Trenton Police Department will make a rigid investigation of the violation of the Federal law prohibiting sale of liquors to the nation's wards. Aggravating the case is the fact that three of the Indians are not yet 21 years old.

The prisoners were Justin Wheel Head, of this city; Walter Starr, of Mercerville; Paul Juan, of Hamilton Square, and Luke Connelly, of Hamilton Square.

The first named is the Indian, who recently got employment with the Street Department here. He engaged in a fight with his father-in-law, William Voorhees, a Calhoun Street negro, Saturday night, and it is asserted that whiskey caused the row. Both were fined \$10 by Judge Geraghty today.

The other Indians are being held pending the outcome of the dual probe, for they will be needed as witnesses if the case comes before the Federal and Mercer County Grand Juries. The men were arrested on Hanover Street Saturday night in a drunken condition. They stated in court that they got beer and whiskey in a corner saloon on Perry Street, while Excise Detective Botschart says they pointed out to him a bottling establishment as the place where they bought the wet goods.

While the local officials are investigating, the matter will be taken up by United States District Attorney Lynch.

Captain Culliton secured a statement from each of the Indians this afternoon and he will forward a copy to the United States District Attorney.

Luke Connelly said he is 18 years old and is employed by William C. Tindall, of Hamilton Square; Walter Starr, said he was 18 years old and is employed by J. C. Carhart, of Mercerville; Paul Juan gave his age as 17 years and said he is employed by Fred Hammell, of Hamilton Square. Juan said at first that he was from Morrisville.

The Indians stated that they bought the beer from a Perry Street establishment and the whiskey from a Perry Street saloon.

Dear friend:-

I have had a letter from Mr. Sanders, the parole clerk for the Arizona State Prison and he says in part, "While Head was paroled to go to the Carlisle Indian School, I cannot see that it was required he remain until his discharge as a prisoner. He must avoid saloons and evil associates and live within the law. As long as he does that he is doing all right."

I have written Mr. Sanders that I am sending all the money due you and in doing this I give up all jurisdiction over you. You will not be under the Carlisle school any more but will be directly responsible to Mr. Sanders. I enclose a check for \$59.04, all the money that I was holding for you.

You can show this letter to Mr. Hall and it will be an answer to his last letter to me, about you.

With best wishes to you, I am

Dear Sir:-

I write you with reference to Justin Head, an Apache Indian, in whom you are interested and with whose history you are familiar. Arrangements for Justin's coming to the Carlisle School under parole, were made during the term of my predecessor and it was only about a month, when he came in sick from the outing district, that I saw him for the first time. While not enrolled as a pupil of this school, he has worked in our outing district, under our outing rules and has been most of the time under the care of our Outing Agent. He had saved one-half of his wages and had to his credit in bank here, when he returned to the school about a month ago, \$178.00. He has drawn out \$120.00 since leaving a balance of about \$59.00 due him now.

He was allowed to return to the outing district at Thanksgiving time to visit friends. He did not return to the school and the Outing Agent who went to visit him and make investigation, returned yesterday and reported to me that he was married on the 5th of this month to a colored girl. He claims that the school has no authority over him and that they have no right to hold

his money. As he is over age, there is no law to compel him to comply with our school regulations and we cannot longer be responsible for him.

I understand from one who knew him at his home and knows his people out there, that should he return to Arizona, his enemies, in all probability, would kill him. Up to the last month or two, his conduct has been good, he is industrious and he does not drink and I believe that he could secure work in this part of the country and make a livelihood. While I am willing to cooperate with the Arizona state authorities in the man's interests, I do not care to pass any judgment upon the matter of his pardon.

I would appreciate it if you would communicate with the Governor of your state, giving him the information I have given here and let me hear from you at your earliest convenience as to what disposition will be made of Justin. His present address is 501 Calhoun Street, Trenton, New Jersey.

Very truly yours

Oscar H. Lipps,

Supervisor in Charge.

Carlisle, Pennsylvania.

Dear Sir:-

I have your letter regarding the conduct of Justin Head. I thank you for the information.

While Head was paroled to go to the Carlisle Indian school, I cannot see that it was required he remain until his discharge as a prisoner. He must avoid saloons and evil associates and live within the law. As long as he does that he is doing allright. Marriage has been the means of bringing many a man to a complete understanding of himself. If Justin has secured a sensible woman, she will guide him thru the straits of life safely.

With kind regards, I am,

Sincerely yours,

-----oOo-----

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, It appears that one JUSTIN HEAD, theretofore duly convicted in the District Court of the Fourth Judicial District of the Territory of Arizona, in and for the County of Yavapai, of the crime of murder in the second degree, was, by the Judge of said court, sentenced to serve a life sentence in the territorial prison dating from the 7th day of December, 1906, and since said date he has been confined in said institution; and

WHEREAS, It appears that Mr. Frank E. McCrary, Parole Clerk, and Capt. Thomas H. Rynning, Superintendent of the Territorial Prison, have made a careful investigation of the prison record of the said Justin Head and find the same to be excellent, and that they have every reason to believe that if his said sentence be commuted and he be released on parole he will live without violating the law and will fulfill all the conditions required of him; and

WHEREAS, The Board of Control, being fully advised in the premises, recommends that the sentence of life imposed on the said Justin Head be commuted to a term of thirty years, that he be given the benefit of any good time which he would have earned had he been sentenced originally to thirty years imprisonment instead of life, and that a parole be granted to him as provided by law, upon the condition that he will go to his first friend and adviser M Freedman, Superintendent of the United States Indian School, Carlisle, Pennsylvania, and report to him in person; that he will on the first day of each calendar month and until discharged from parole, make a full written report to the Parole Clerk, Territorial Prison, Florence, Arizona, of his work, conduct and earnings during the previous month and that he will submit each such report to his first friend and adviser for cer-

tification before forwarding same; that he will not return to Arizona, while on parole, without first obtaining consent of the parole officials of Arizona; and that he will live and remain at liberty without violating the laws.

NOW, THEREFORE, I, RICHARD E. SLOAN, Governor of Arizona, by virtue of the power and authority of law vested in me by law in that behalf, do hereby grant unto the said Justin Head a commutation of his said sentence from life to the term of thirty years beginning from the date of his said sentence, to-wit: from the seventh day of December, 1906, and that he be given the benefit of any good time he would have earned had he been originally sentenced for thirty years instead of for life; and further, I do hereby grant unto the said Justin Head a parole and do order that he be released from imprisonment in the Territorial Prison on the terms and conditions contained in the recommendation of the Board of Control herein-before stated.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the Territory of Arizona to be affixed.

Dear Sir:

Your favor of recent date received
and I was surprised to learn that Justin Head
had taken unto himself a wife, and was inclined
to break away from the influence of your school.

I expect to be in Phoenix in the
near future and will lay the matter before
the Governor.

Thanking you for writing me and
