9. Tell me anything else of interest connected with your life:

I was very glad to return to the San Carlos Reservation to see my people, after an absence from them of twenty years.

It pleased me ~~very~~ much indeed to become acquainted with the customs and manners of the white people in the east.

I would appreciate it very much if you would be able to obtain a position for me at Phoenix if possible. I choose this place because it is near to our vicinity. Being away for twenty years from my people I would like to be as close to them as possible. The heat will not bother me in the least as I have been in hotter places.

It also pleased me that you remembered me. My thoughts always wander back to Carlisle where I received my education wherever I go.

Thanking you very much for your kind remembrance of me, I remain

your scholar,

Ralph Maltney.

Mr. Ralph Maltney,
Rice, Arizona.

Dear Friend:-

I was very glad to receive your record of recent date, and to know of your continued interest in Carlisle.

As you are desirous of getting a position in the Indian Service, I would suggest that you write a letter to the Commissioner of Indian Affairs, Washington, D. C., asking him for a blank which it will be necessary for you to fill out. After this has been done, the Commissioner will refer your name to me for a recommendation, which I will be pleased to give him.

Your name is being placed on the complimentary list of THE ARROW.

Very sincerely yours,

MF:SR

Mr. Ralph Haltway,
C/o The Sheriff of Gila County,
Globe, Arizona.

Dear Friend:

I have noted what you state in your letter of February the 12th, but I am surprised to know that you have gotten into trouble and that you are now confined to the Gila County Jail. In reply to your letter I can only advise you to make a good record while you are in Jail; then when you have served your sentence like a man the lesson you have learned should be of benefit to you in shaping your life so that you will not again get into trouble.

The records on file here indicate that you are now more than forty years of age, and for that reason it will not be advisable to give you another opportunity as a student at this school.

Hoping that I can be of help to you later, I remain,

Very truly yours,

HCM.

Supervisor in Charge.

OFFICE OF THE SHERIFF
OF GILA COUNTY

GLOBE, ARIZONA.

Dear Sir:

I will drop you a few lines to let you know my whereabouts. now Mr. Fredman, I write you these a few lines because I am in a little trouble at the present time, and know that you can help me. now, Mr. Fredman, I would like to come back to school again. I am now in the Gila County jail, and will be here for six months only by the help of your hand. I might get out, I know that you can help me. to get back in school again, and this is why I write you, because I feel that this is no place for a man like me. I don't mean to say that I am too good to be here.

because I know that good people
get in jail as well. But now
Mr. Freedman, making a long
road short, would be a short way
home. now this is the main
thing that I would like to bring
a cross your mind. is that I would
like to get away from here.
and throw your hands I think
that I can do so. now Mr. —
Freedman, I have been a good
boy all through life. I have even
fought for my country and
that is as good as any man
can do. and now I am about
to close. but before I close. I like
to say that it would be more
than a pleasure to me to hear
from you soon. now this is about
all that I will say at ^{the} present time
yours truly from Ralph Naltway.
