Mr. Morgan Toprock,
San Carlos, Arizona.

My dear Friend:

I have your letter of recent date, in which you conveyed the information that an attempt was made to kill you. I extend you my sympathy and hope you have made a rapid recovery from your injury.

It is to be deplored that so many Indians in different sections of the country have become addicted to the use of intoxicants. Just as long as they will not give up the use of liquor they cannot expect to make much progress, and it is only by the Indians themselves that the problem can be solved.

Assuring you that I will be pleased to hear from you at any time, I remain,

Sincerely your friend,

HKM.
