Dec. 17th, 1915.

Mr. Stephen Jamus, Superintendent, Turtle Mountain School, Belcourt, M. D.

My dear Sir:

I thank you for your letters of December 6th and 10th, stating what action you have taken regarding arrangements for the return home of Peter Wilkie. When the contents of your letter of latest date were read to Peter he declared that he has made up his mind to stop drinking and that he wants a chance to prove his sincerity.

In view of the fact that there may yet be some good in the young man I am inclined to keep him until he has had a chance to give his resolution a trial, and a renewed effort will be made to help him.

Hoping that an improvement in Peter's behavior can be reported soon and that his return will not have to be effected after all, I remain,

Very truly yours.

Superint endent,

Carlisle Indian School,

Carlisle, Pa.

Dear Sir:

Referring to my letter of December 6 regarding Peter Wilkie. I have to advise that I have had a talk with the father of this boy. Peter has no individual Indian money and his father has no funds for the purpose of paying this boy's fare, and I do not believe it just or reasonable that the father sell any of his own stock in order to pay transportation for Peter.

North Dakota, a town near here, who informs me that he will advance Peter transportation money providing he will come back and work for him at Cando. He has worked for Mr. Canfield for some time now and his work has been most satisfactory Mr. Canfield speaking very highly of him. I think that Peter will do this, but Mr. Canfield wishes him to write direct to him at Cando and make all the arrangements himself. I wish you would inform Peter

of this and tell him to write at once to Mr. Camfield, at Cando, North Dakota, and Mr. Camfield will make arrangements with him direct.

It is recommended that you hold Peter until he hears from Mr. Canfield; and I would be glad if your office would advise me when he leaves your school so that I can take proper action.

Thanking you for your kindness in this matter, I am,

Yours very truly,

Superintendent.

Dear Sir:

I have received your letter of December 2 relative to Peter Wilkie and am sorry to learn that he has conducted himself in such a manner. Of course, it would be unreasonable to expect any school to keep such a disorderly pupil.

This young man has no funds, however, to his credit with this Agency to pay for his transportation home, nor to pay for his fare to your school in November; but I have called for his father and as soon as I have consulted with him about paying for the transportation I will again write you.

Thanking, you for your attention in this matter, I am,

Respectfully,

Superintendent.

Mr. Charles E. Dagenett, Supervisor, Indian Employment, Indian Office, Washington, D.C.

Dear Sir:

Your inquiry regarding Peter Wilkie, a Chippews Indian and a former pupil of the Carlisle school, comes to me this morning.

I am very sorry not to be able to give you a good report about this young man. The records show that he was a student from November 1913 to May 1914, when he was discharged because he was incorrigible. I dislike to give you such a poor report about Peter, because we have had two brothers of his here whose conduct was exemplary in every way. Poor Peter seems to have been the black sheep of the family. His great trouble was drinking. I am told that he arrived at Carlisle in a drunken condition and was sent away in about the same state.

Regretting that I cannot give this young man a better report than the above, I am,

Very truly yours,

Peter Wilkie, a Chippewa Indian, and a pupil of Carlisle, finishing his term there June 1, 1914, applies for automobile factory work and gives you as his reference. I shall appreciate your kindness in writing me as soon as possible regarding the young man's character and ability. Is he employed in the Service of the Government? Would he in your judgment be suitably placed in an automobile factory?

My dear Sir:

I submit below for your information a copy of a report that was handed to me this morning by our Disciplinarian:

"Peter Wilkie from Turtle Mountain came to this school about Nov. 17 in a drunken condition, so much so that he had to be carried into my office. He was very abusive and profane while in this condition and in general displayed a disgraceful ranner. He was put in the quard House for a time and upon his promising to never get in such a condition again or to drink liquor in any form while at this school was let out and took up the Trade of Tinner. Last Saturday night, Nov. 29, he was drunk again. I found him in the quarters about 10 o'clock very drunk and disorderly; he was shouting and creating a general disturbance. I took from him a bottle of whiskey, six boxes of tobacco and about a daren packages of eigarette papers together with a large package of eigarettes. I put him again in the Guard House.

He has all the appearance and actions of an habitual drunkard and generally de-

praved boy, entirely unlike his brother Michael who while he has been at this school has had a very good record and is generally respected by the employees and students alike.

Peter's influence is bad and he does not seem to care for right living, therefore I recommend that he be sent back to his home at once and be under the influence of his own people and have his bad conduct and example remayed from Carlisle School."

ent his return home will have to be effected without delay, and it is my epinion that his parents should provide the funds to pay for his transportation. If the boy has funds of his own he should not only be made to share the expense of returning him home but he should be made to provide funds with which to reimburse the Government for the amount that was expended in bringing him to Carlisle.

I trust you will co-operate with me at once in this matter, so that an adjustment can be effected without delay.

Mr. Stephen Janus, Superintendent, Turtle Mountain School, Belcourt, N. D.

My dear Sir:

In view of the fact that Peter Wilkie desires to remain at Carlisle, and because he has really made a consistent effort to overcome his weakness for strong drink which justifies me in keeping him, I would thank you to send me the application for his enrolment. Our records regarding him can then be completed.

Very truly yours,

Teplying to your letter of Merch the 17th.

I take pleasure in stating that your son Peter has been doing very well for several menths now and that he is making a determined effort to continue such good conduct.

orested a great deal of trouble. Shortly after his arrival he was again intoxicated and arrangements had been made to send him home. He asked permission to remain and it was greated when he promised to make a more determined effort them ever before to discontinue the use of strong drink. From that time on he has not had any difficulty and he is doing earnest work.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Turtle Mountain Indian School, Belcourt, North Dakota, June 10, 1914.

Mr. O. H. Lipps,
Supervisor in Charge,
Carlisle Indian School,
Carlisle, Pennsylvania.

My dear Sir:

Replying to your letter of May 29, asking what assistance I can give you in securing the amount advanced to Peter Wilkie for transportation and expenses for his return to this Agency, I have to say that I have not yet definitely located Peter Wilkie but will probably find out where he is in a few days. I have heard that he went "broke" on his road home and that he was assisted by a Mr. Canfield, of Candall, North Dakota, for whom he previously worked, and who you will find from correspondence was willing when he was previously on his spree at Carlisle to take him back into his employ.

I will do what I can to assist you in this matter, but naturally if he is employed by Mr. Canfield he would have to pay back to him whatever he has advanced before he would be able to return to Carlisle what was advanced him for transportation home. Of course I do not know that I would have authority to compel him to return this amount, and the matter would have to be taken up with his employer, and even then it is probable that it would be necessary to obtain his consent before his wages could be applied for this

purpose. It may be that I shall have at some time individual moneys that could be applied, but at the present he has no account in my hands.

As soon as I have any further information on the subject I will communicate with you again.

Very respectfully,

SJ-AMC

Superintendent.
