Dear Sir -

I will take a pleasure in write to you this morning - Perhaps its will surprise you as we are unacquainted - but being one time a student of that school I took a liberty + then a Carlisle spirit make us friends.

I had always felt since I came out West that I owe to the school a praise for education + trained I received - but not until I read the little Carlisle Arrow weekly of which has been come into our home very regularly - I enjoyed in reading the school news - for its reminds me the happy school days at the old Carlisle Barracks in 1881. to 1884.

When I left the school I had only a practical education - but I had energy + I determined to make it good + I succeed in holding

responsible positions in the past. but now  
I am devoted all of my time in the work  
with missionary among of my people.

When I am not in mission work  
in spring at the crop season I plow up  
money for living. I must bring my  
letter to close wishing you a Merry Christ-  
-mas & a Happy New Year.
