Mr. Henry Blind,
Geary, Oklahoma.

My dear Friend:

I have your letter of February the 10th
and I am pleased to know that you are giving so much
of the credit for your success to the helpful train-
ing that was given you while you were a student at
this school. It is always encouraging to receive
such letters and to know that our former students are
making such splendid use of their education and their
opportunities.

Let me congratulate you on being engaged in
a work that has almost unlimited possibilities in it.

The advancing prices for farm products make the busi-
ness a remunerative one and one that combines pleasure,
health and profit.

I extend you best wishes for continued success
and prosperity.

Sincerely your friend,

I thank Carlisle Indian school a hearty

Dear friend:-

I take most
pleasure in answering your encouraging letter
of which I received some times before New Year.

We are having a very cold weather this
month; it snowed one whole day, snow have been
about six inches deep on the country abouts;
The farmers are hoping for the prospect as
the snow will thaw & helps great deal on the
farms for Spring work.

To express my thoughts in this letter
concerning about your Institutions; That is one of
the foremost place where to turn out Indian
youth to all sources of Industrial; I attended
Carlisle only a short time, but it really
gave me some useful education which have
continually benefited to me.

I thank Carlisle Indian school a hearty
