Dear friend

I am just trying to write to you and tell you. I got this letter to day which you send to Arapahoe on the 16 day of Dec. 1911. I was very glad to hear from you just the same. I am in Okla with my mother's sister who is married to Cleaves Warden an ~~ex~~ student from Carlisle we are making good and we hope we will go further in our living while I with him.

I am still single and some day if I do join to make my own home - I'll just go home in Mo. But as I am single I can go around and give hands to my folks

I have met some of the children from Carlisle and they all seem to be leaders. at least they try to lead their People.

words could not press how much I appreciate the kindness of Carlisle to the Indians

I often wanted to get The arrow and all the other ~~the~~ copies But some way I can't

I always like to know how Carlisle is getting along.

Tell Moses I close my letter with love + good wishes to all that are still attending the school. I hope you all succeed in every way of life also in spirit.

Good bye to all I am
