INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Noah seems to be well pleased with his home and is well liked by his patron.

Mrs. Rosenberger appears a good home but has a tendency to work too hard and long for his own good.

Noah should have more money for the amount of work he does. I think \$2 would be little enough.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

A pleasant home in village, Potomac
a physician, says Koch has been
with him nearly 2 years. has im-
proved in his work, but for the
past two months has not done well.
irregular & careless books & desktop
his things. He is honest & kind to his
little child. Potomac thinks a change
would help him. Koch wants to be
transferred to a farm.

His eyes look to be badly in need
of attention, it is my judgment he
should be needed to be on
account of his eyes.

Teacher says Koch is very dull
cannot give good apprehension.
Dr. Walker likes a bright boy who
pleases one who can be trusted
but over 13 yrs. of age.
