INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Mr. Kern made quite a bit of complaint about Herbert's conduct when he first came out but claims he has improved. He also had much to say about the inability of the boy and how he could not afford to give much wage etc etc.

My conclusion is that while Mr. Kern affords a good home and is kind to his boys yet he is inclined to be a little close about paying proper wages. I would recommend that Herbert be paid at least \$8 per month.

I asked for the increase but he frankly said the boy was worth no more but that if he improved he would increase wages to suit.

My dear Sir:

I regret to advise that your son Herbert has again deserted from this school, and the report has come to me from the Chief of Police of Petersburg, Virginia, that he is now in jail in that city. In view of the fact that we have had so much trouble with the boy I would not be justified in sending for him, and so I am notifying you so that you can do as you think advisable. If you desire that the boy be given one more chance, and he himself is in earnest and anxious to "make good" you may send him on at your own expense.
