My dear Friend:

I have received your note of recent date, with which you sent an application to cover the transfer to Carlisle of your friend, Chee Jones. However, as the application was not sent to me thru the office of Superintendent Paquette the same cannot be given consideration.

You and any other of the boys at your home who desire to come to Carlisle should see your Superintendent about the matter. He will then advise you and will give such assistance as may be deemed best.

Hoping you have had a pleasant and profitable stay at your home, I remain,

Your friend,

HMM.

Superintendent.

Copy to Superintendent Paquette.

Chas Jones a Navaho, age 18 asked me to go to
Carlisle Indian School if Paquette Supt. of

I hope this will be true, and get more

With wishes for your success,

 Date pupil returned from school, _____; employed since return as follows:

 Are home and local conditions favorable? _____
 Should he receive assistance to find employment? _____
 At what employment do you think he would do best? _____

 _____, Supt.

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. Philip Draper,
C/o Mr. Nelson Gorman,
Chin Lee, Arizona.

My dear Friend:

I have your letter of August the 3rd, advising that you intend to continue with your education. I am pleased to hear that you have come to such a decision, and I believe that you could not spend your time any more profitably than by returning to Carlisle for another period of enrolment. However, it cannot be arranged to provide transportation for your return to school, so that you would have to pay for your ticket from your own funds.

Hoping to hear whether we may expect you here for our next year's work, and with best wishes, I remain,

Very truly yours,

Superintendent.

Dear Sir:

I transmit herewith a copy of a letter that
was addressed to me by Philip Draper, together with
a copy of my reply thereto.

Very respectfully,

M. Friedman, Superintendent, Carlisle Indian School,
Carlisle, Pa.

My dear Friend:

I am very much disappointed about going back to Carlisle, and sorry for I didn't go back there, but I will try to not to lost any time in getting located pleasantly. I am now already in position as orderly at the Hospital here at Ft. Defiance, but annual is very small sum to me, because I made out my board out of this 500 a year. I say this because I don't do half as much as what I used to do on Penna. farm in Bucks County. I will do more good if I do more work here.

The only reason I did not return to your institution because Peter Paquette our Superintendent said this to me. That he will not send any more Navajo boys to Carlisle, for they were sick when they came back here, but also he said to me that I could go back to Carlisle if I want too, that is if I get a ticket from you to go back on, so I put up to you, Mr. Friedman, if I go back to Carlisle I will be there for 3 more years or if I don't finish the end of 3 years I'll be gone for 5 (five years).

Best wishes for your success,

Your friend,

My dear Friend:

I have noted what you state in your letter of September the 14th. Replying thereto I have to advise that you can again be enrolled here if Superintendent Paquette will give his consent, but for the reason that you are now more than twenty-one years of age it cannot be arranged to provide transportation for your use.

Assuring you that I would like to see you return to Carlisle for an additional period of enrolment, I am, with best wishes for success in whatever work you engage in,
