INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Dawson George,

R. F. D. 1, Whittier, N. C.

My dear Sir:

I have your letter of June the 19th, relative to the period for which your son Manley was enrolled here. Replying thereto I have to advise that on January the 27th of this year Manley signed an application to cover two additional years, and it is for that reason that he is being continued here as one of our students. The original period of his enrollment was for three years, but at his own request it was extended for two years.

Very truly yours,

Mr. Dawson George,

R. F. D. 1, Whittier, N. C.

My dear Friend:

In January of this year your son Hanley requested permission to have his period of enrolment extended for an additional two years, and of course he was allowed to sign an application to that effect.

As Hanley made the request voluntarily it would not be advisable now to grant him permission to return to his home until the additional period for which he signed an application has terminated.

Trusting that this will explain the matter you brought to my attention in your letter of the 10th instant, I remain,

Very truly yours,

Replying to your letter of November the 14th, I will advise that your son Hanley will now be required to remain under the jurisdiction of this school until the additional period of enrolment for which he signed an application will have terminated.
