Dear friend:-

It has often been said that students at various schools who have made any special reputation as athletes, never amount to much after leaving school. To show that this statement is not true as far as the students of Carlisle are concerned, I have prepared an article, to be illustrated, on the splendid success of some of our prominent graduates and ex-students who while at Carlisle were conspicuous in athletics.

This article, I propose to publish in the Red Man, our school magazine and afterwards in pamphlet form for general distribution. The article is now ready and I am waiting for some suitable photographs to illustrate it.

I want a photograph of your bakery with you at work in the shop. Will you please have this taken at your earliest convenience and send the photograph with bill to me and I will reimburse you for whatever the photograph cost you. The photograph can be un-mounted.

Wishing you continued success, I am

Very truly yours,

Superintendent.

Dear friend:-

I received this morning, the two photographs and am pleased with the idea you intended to represent but much disappointed that the photographer did not do better work. If it is not asking you to do too much, I would be very grateful if you will have the same pictures taken again, only by a better photographer. I like the ideas and would be willing to pay for two good pictures. If you cannot do this for me, let me know and I will send you check for \$.50 the cost of the other ones. If you can have other pictures taken, I will hold this bill over and pay you for all the pictures together.

I would be pleased to have an early reply from you as I am waiting for these photographs.

Very truly yours

Superintendent.
