This is an excellent farm home and patrons are extra particular to have things done well.

Mr. Brant speaks well of John but claim he never can acquire ability to be more than a fair farm hand. He is strictly honest and willing but awfully slow to see things to do.

Mr. Brant desires to keep him during the summer of 1911 if possible.

John likes his home and seems contented. He mentioned to me about going home next year.

Mr. Richard Laughing,
Hogansburg, New York.

My dear Sir:

I have received your application for the enrolment at Carlisle of your son John, but no information at all is given regarding his previous school attendance and so the blank is returned herewith. Full information must be given as is requested on the blank and if he has recently attended the public school his former teacher should be requested to note on the additional blank I enclose a statement of what record he made and whether he can be recommended as worthy of being given a chance to continue with his education at government expense.

Hoping the application will be returned to me at an early date and that you will then let me know whether your son's transportation can be provided if it is decided inadvisable to furnish him a ticket at government expense, I am,

Very respectfully,

HKM.

Supervisor in Charge.
