Dear friend:-

It is my purpose before long to issue an outing number of the Arrow and Red Man. Among other facts concerning the outing, I want very much to publish some expressions from our graduates and ex-students as to what the outing has meant to them.

I understand you had some outing experience while you were a student here. Would you be willing to write me a letter giving the interesting facts about your Carlisle outing and naming any special benefits which you derived from it, especially those which have helped you in after years.

If you can do this, I will be glad to hear from you soon.
