## INDORSEMENTS.

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

*Provided*, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

That no Indian pupil under the age of fourteen years shall be transported at Government expense to any Indian school beyond the limits of the State or Territory in which the parents of such child reside or of the adjoining State or Territory. (35 Stat. L., 781.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both superintendents and the Commissioner of Indian Affairs, and superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case but in all cases where the parents are living they should first be consulted.

Dear friend:

Your letter to Mrs. Denny has been referred to the office for answer.

I am enclosing herewith an application blank for the enrollment of your cousin Sampson Wyers.

Under the new policy of the Indian Office all Indian pupils who are financially able are required to pay their transportation to the non-reservation schools both ways and also to pay the required tuition.

If your cousin comes under this class he will be required to pay his own expenses.

I am enclosing also a copy of the Arrow in which this new policy is given.

Trusting that your own financial affairs will have been settled so that you can return to the school to complete your

Dear Friend:

Mr. Bradley has brought me your letter to him relative to your return to Carlisle to take the preparatory prior to joining the Ford class.

Mr. Bradley tells me that in all probability there will be no middle class to go to the Ford this year, but the next class will likely go in June. We would be pleased, however, to have you return to Carlisle and join your class and get your diploma before joining the June Ford class. Mr. Blair says that you could do this very nicely if you will return early.

I hope that you will decide that this is the best thing for you to do and it will not be long now before we may see you at Carlisle.

Very truly yours,

Chief Clerk in Charge
