My Dear Friend:

It is with the greatest pleasure  
in answering your letter, and also  
let you know that I am well at the  
present time, and I hope you are the  
same too.

And say, Mr. Friedman I wonder  
if I could not get you to send me printed  
pictures of all the Supts.,

And I will see if I can't copie them  
and send of the cop of them back to  
you. and send yours, too, as well the rest

Should also like to here from the  
Y. M. C. A. and also Y. W. C. A.

And I have been thinking about send-  
ing some of my own work to the  
both of these.

Y. M. C. A. and Y. W. C. A.  
So I will now close for this time.

And many of time I wish I was  
back up there, but my eye over for  
schooling.

With best wishes to you. Some.

My dear Friend:

I have noted what you say in your letter of March the 6th, and I thank you for the information you gave me concerning yourself. It is to be regretted that you have had trouble with your hearing, and it is hoped that an improvement can be reported to me soon.

I would like to give you a chance to complete your period of enrolment at Carlisle, but you have reached an age when such arrangements cannot be made for you.

Assuring you of my further interest in you and extending best wishes for continued success, I am,

Very truly yours,

Supt, Moses Friedman,  
Supt. of the U. S. Indian School,  
Carlisle,  
Pa.,

My Dear friend:

It is with the greatest pleasure  
in answering your kind and welcome  
letter which I received from you & my  
dear school father.

And also let you know that I  
am well at the present time and I hope  
you are the same.

Although I have little trouble  
with my head and also my hearing now  
and it may be by working out door all  
the year round.

I am also glad to hear that you  
still think of me as an ex-student of the  
U. S. Indian School Carlisle Pa. and I am  
always glad to hear from any one at that

greatest school, who is at the head of it more than others.

And I also like to hear from any of the members of the Y. M. C. A. and Y. W. C. A. how they geting along with their work.

If they are making successfull work or make-ing it faluier of it and if it is I will say it is all on of the leader which they have.

And the thing is to get down and start over, and because the day is coming when we will have no time to start over, or put it off untiel next week or next year.

And I am also sorry to say to day that our own people are makeing a faluier on that line work, and I my self was once a member of the Y. M. C. A. durn the time I was at that school.

And I have been thinking about what that school is doing on line of religious training. are the making success of it

of it.

And I have been thinking about such training it that for some time, until today while I have little time for myself. I thought it would be best me to ask you if that school is giving its pupils a religious training like Haskell Institute is doing.

And if it was, while I think of it although it has been a long time since I was up there at that school.

And my age I may over for schooling and if there is chance for me to go up there to finish my term for out which I like one year finishing for the five years time even if I have to pay my own way up there. and take up the religious training and so will also be obedient to the rules of the school. and at my treat which I may wish to take up.

Or it may <sup>be</sup> for me to write the commis-  
sioners at Washington D. C. about that  
first thing.

But any way when ever you answer  
this letter, let me know what would be  
the best thing for me to do<sup>a</sup> about that  
and if nothing happ-ens I will be up there  
one time.

So this is all I have to say for this  
time,

Hoping to hear from you soon.  
Yours resp.-fully friend,

Mr. W. M. Whippoorwill,

My dear Friend:

This is to acknowledge receipt of your letter of August the 10th and to thank you for the names of prospective students for Carlisle you so kindly listed therein. School literature has been mailed to the young people and it is hoped that they will take the application blanks I also enclosed to Superintendent Henderson for his assistance in having them properly filled out and so that he can then approve the same.

I was pleased to note in your letter that you have been constantly at work since you left Carlisle. That alone is a recommendation, and I trust you will continue to have an opportunity to work.

Assuring you that your assistance in this matter is appreciated and that I will be pleased to hear from you from time to time, I am,

Very respectfully,

H.K.M.

Supervisor in Charge.

Supt. of U. S. Indian Scho.,

Carlisle.

Penna.,

My dear friend:

It is with the greatest pleasure in answering your letter which I received from you about week ago, and I am sorry that I didn't answer your letter any sooner than this, but I hope that you will excuse me for one time.

And bears that  
 nt ansire your letter  
 sooner. I have been wor  
 ing for the different farms  
 which about five or six miles  
 frome the post office and  
 I dont hardly have time  
 to do any thing for myself  
 untel Saterdays evenings  
 and on Sunday and the  
 post office is not open on  
 Sundays, at all like they  
 do in cities or towns.

Und as I said that  
 the post office is not open  
 only on week days.

And I can say that  
 the U. S. Indian School

was done  
 there  
 be

has done more than any  
other schools where I have  
been, and I know that I  
do owe the U. S. Indian  
school some thing, and  
the only that I can see  
to pay part by getting  
some pupils who never  
yet seen what U. S. Indi-  
an School Carlisle Penna.,  
can do for a young person  
who is willing to let it  
make him or her out of.

And I have had some  
of the pupils who have

gone up there ask  
 what kind of School  
 U. S. Indian School Carlisle  
 Penna. was.

And my ansure for  
 every one them that aske  
 me about the U. S. Indian  
 school. Carlisle Penna.,  
 was, and my ansure for  
 them was, that U. S.  
 Indian School Carlisle  
 Penna. was the school  
 will make some thing  
 out of you if you let it  
 do so.

And the thing li- up  
 on you, that is if you  
 are obeyent to the rules  
 of the school, in every way

that was

of School & ...  
5.

that you can see after  
you get up there.

And it may be that  
the school has more rules  
then every sence I was  
up there.

Because I left there  
1902 and it is now 1914.  
and yet I think of that  
school just the same  
as if I was up there and  
I have said many time  
to my self that I was  
going to see that school  
once more, even if it took  
all I have worked out.

And for some out  
my friend Chas. E. L.  
enett, thinking about  
get- ing or finding some  
kind of work in the  
United States Indian  
service.

And although I did  
not complet any course  
or tread while I was up  
there, and if you fellows  
can do that much for  
me, and I am willing  
to do any thing for you  
two fellows.

And of courses after see-  
ing and traveled, I will de-  
voat my whole life with

the  
and

ing about  
ing some  
near, Pa.

the Y. M. C. A. work  
and beens that you  
fellows know your  
~~of~~ <sup>selves</sup> ~~beens~~ what these four  
letter stand for, and  
I myself was a mem-  
ber of U. S. Indian  
school Carlisle Pa.,  
Y. M. C. A. stands  
young men christian  
association, is the only  
thing that I would take  
if not you cant <sup>get</sup> any other

And you ask me to  
send you some of the  
names of the children

that I know, and  
 far as I know about  
 the boys and girls, that  
 has always some person  
 from some of these other  
 schools - would come and  
 get them to back out  
 about going to Carlisle  
 and the very ones who  
 want to go up there to  
 that school. but before I  
 close my letter I am goi-  
 ng to send you some  
 of the names who, I kn-  
 ow would like to go up  
 to that school, such as  
 names Alice Hill, James Hill
