Dear Sir:

I know you are intensely interested in each forward step, each student may take after leaving school, Be a step great or small. But we all realize that there is always another plight, I, as an ex-student am trying to live up to

the reputation<sup>2</sup> of other students, who have gone out into the world for themselves.

I am employed at a job printing office here. and also play with the Bethlehem Steel Company Band. which has a membership of about eighty. My best wishes go with the graduates.

ing class. 3

I am a loyal ex. student
