Dear friend:-

I have just received the blank sent to you to fill out and I am glad to know you are getting along so well. You are putting into practice Carlisle's principles and I am sure she has a worthy son in you.

I am writing to you to know if you could send me a photograph of your blacksmith shop. I want to get the photographs of several shops where the old Carlisle boys are working and I want one of your shop. If you can have this done, I will be glad to help you pay for the taking of the pictures.

Will you let me hear from you regarding this ?

Very truly yours

Superintendent.

Dear friend:-

I am making a collection, for publication, of the photographs of the homes of the graduates and returned students of this school and would like very much to get a photograph of your home, shop and surroundings. If you do not have such photographs on hand, could you have some taken? I will be glad to reimburse you for whatever the pictures cost, if you will send me bill.

I understand you have a blacksmith shop and I would like to have a photograph of this.
