Dear Sir:-

Your communication concerning Henry Saapsen an old pupil of this school has been received. I am glad to have such a good report about one of our old boys. We did not know that Henry was still living in that neighborhood. I have sent him some school literature in which he may be interested. If he will send \$.50, he can get our little school paper every week and in this way keep in touch with his school.

His sisters, Anna and Jennie, left the school sometime ago and we have not heard very recently from them. The last address we have of Anna is, Mrs. Isaac Cook, RFD#6, West Bay City, Michigan. The last we have for Jennie is Kawkawlin, Michigan. These addresses were given to us in 1913.

Tell Henry we shall be glad to have him come to Carlisle sometime. There are some here who remember him.

Very truly yours

NRD

Dear Sir

I am interested in one of  
the wards of your school, Mr Henry Sampson who  
was an attendant at your school some years since  
& is now employed near this village on a farm.

He is proving worthy of  
confidence & his employer is very interested in him  
& holds him in high esteem.

Social conditions here are  
not conducive to contentment, racial prejudices  
(I think) and he has none of his people met. He  
tells me he had 2 sisters attending your school  
and I will respectfully ask if you will advise me  
if possible, - their present address and also if you  
know of any of the Aborigine near central  
Penna points with whom he might com-  
municate.

I will very greatly appreciate your  
favor in assisting to maintain in him the  
standard of integrity he requires at your  
institution which I certainly commend. Yours very truly  
any communication from your school will be  
pleasant to him. address him Bloomsburg Pa  
care Mr S & Mueller - RD
