Carlisle, Pa.

Dear Sir,-

I am very glad to have the pleasure of notifying you that I am well at the present date. And am at my old home of my Father's house once again to help the home circle complet to some extend although some are not ~~still~~ here with us.

I am delighted to hear from you now and then, although I never try to make any kind of answer to comply with your many scattered thoughts that have been received from you every since I came away from your School and my School as well is for all.

I wish you the greatest possible success, and with a hope that the present year may usher in another era of good will, contentment, happiness, and prosperity for you and all.

I thought I would write to you these few lines to let you know that my present occupation Exhorter in Methodist Episcopal Church and have been Sunday School Teacher for some time past.

I only wish if you had some old books that you do not need just now that I could probably have to help me along greatly in my present work. I have no kind of Bible History on hand.

Well of course I do  
not want you to send  
me all brand new  
Books. But any thing  
that is ~~not~~ readable  
is about ready to be  
thrown into wast box.

Yours truly,  
Harry Shawbush.

March 5th, 1913.

Mr. Harry Shawbush,

Mt. Pleasant, Michigan.

My dear Sir:

I have your favor of March the 3rd and I thank you for conveying to me the information contained therein. I am pleased to note that you are making use of the training you received during your school days by now doing something for your people. Such news is always gratifying to me and an inspiration to do more earnest work with the young people we have enrolled here.

I regret to say that we do not have any books that could be given you, for the reason that they are all included in the government property for which I am responsible.

Thanking you for your kind wishes and hoping to hear that you are successful with your work during this year, I am,

Very truly your friend,

HKM.

Superintendent.
