Mr. Dan Sleeping Bear,

Hays, Mont.

My dear Friend:

Let me thank you for your letter of recent date, and which was addressed to me in response to the greeting I sent you for the Christmas time and this new year. I note that you are raising horses and cattle on your own place. With prices steadily advancing you are engaged in a business that cannot help but grow and bring you a better income. Let me hope that you will continue to prosper in your chosen vocation.

In regard to the sled you desire to purchase I must say that other work now on hand makes it impossible to accept your order. It will therefore be to your advantage to secure your sled from another source.

Thanking you for your kind wishes and with the hope that you will write us from time to time, I remain,

Very sincerely yours,

Superintendent.
