Mr. M. Friedman
Carlisle, Pa.

My dear Friend:

I am in receipt of your letter and note carefully what you say. The matter of securing information so that it will enable you to complete your records regarding me

I will certainly have the appreciation of your Paper for as I am one of the so called, "returned students" of Carlisle, and I am so happy to state that I had left a clean record at Carlisle and further more will say that, the same old Carlisle

Spirit dwells in me yet. I
sometime think of my young
and happy days while there
as a loyal student. I am
not afraid to say so because
as I said I left a clean
record and will never be afraid
to give my whole history or
story as you may call, while
there at Carlisle. I will always
speak good words for my dear
school and I feel that Carlisle
Indian School is now the
foundation of my life. It is
so. It is the foundation for
those who depends on it.

Thanking you the same for
your kind remembrance of
me as your returned student

I am doing and living up to the teachings I received at Carlisle. May Carlisle have my hearty thanks for its willingness to teach me and train me to the things now I attained. May longer I live Carlisle will be my safe guard. There is the school colours, Red & gold ah! Boys, make it wave over all of the football games by next fall is my sincere desire.

I hope I may have the pleasure of visiting my school before I get too old.

Mr. Friedman I am not personally acquainted with you but I certainly wish you higher success with your management of the

School: I will be glad to hear
from you again.

I remain yours very truly
Sherman M. Chadwick
