Dear friend:-

Although I have been much pleased with the results of my efforts to learn what the graduates and ex-students of this school are doing at the present time, there are still quite a number from whom I have not heard.

I enclose herewith a list of the boys and girls from Hogansburg who have at some time attended the Carlisle School. Please give me the information asked to the best of your ability and return the list to me promptly in the envelope enclosed which requires no stamp.

I will appreciate any help you can give me in this matter.

Very truly yours

Superintendent.

Dear Friend:-

I have your card dated December 24, 1912 and in reply have to say, that I was pleased to hear from you and that you were doing well. We are always glad to hear from ex-students of Carlisle. Write to me from time to time giving me your address.

We have a system in this Office whereby we endeavor to keep track of all of our old students, and you can help us a great deal by advising us of any change in your address.

Your brother Joe is doing well here.

I am placing your name on our mailing list for the School Paper "The Arrow," which I hope you will receive regularly and enjoy.

Your friend,

Mr. Philip DeLoriniere,
Hogansburg, New York.

My dear Sir:

I assure you the information you conveyed to me in your favor of July the 28th is appreciated, and in compliance with your request I am writing to Josephine Bamson in your care that I will consider an application for her enrolment if it is carefully filled out and she can submit with it a letter of recommendation. An extra blank is being sent to her which may be used by one of her friends.

Replying to your inquiry regarding your brother Joe, this is to advise that he is spending the summer at one of our Outing homes where he is getting along very well. Joe has been very active during the time he has been enrolled at Carlisle and there has been a marked improvement in his physical condition. He has progressed very nicely in his studies and in every way.

Assuring you that it is a pleasure to convey so favorable a report, I am,

Very truly yours,

Mr. Philip De Loriniere,
Hogansburg, New York.

My dear Friend:

Complying with the request you conveyed to me in your letter of August the 10th I enclose herewith additional blanks upon which applications for enrolment at Carlisle may be submitted to me for consideration. I would thank you to hand them to the young people who have spoken to you about coming to Carlisle.

Referring further to your letter this is to advise that it cannot be arranged this year to pay the expenses of an escort to students who come here from Hogansburg. There should not be any difficulty at all about making the trip if the conductors of the trains leaving Ryando are requested to look after the children enroute and to see to it that they are turned over to other train officials at the end of their run.

Very truly yours,

Encls.
