Dear friend:-

I have your letter asking me to help you get into the Students Course at the Ford Factory and have to advise that it will not be possible for me to do this. We have made it a rule that those young men who want to join our Ford Class, should first come to Carlisle and take the preparatory work here. We have a class selected now for the June party. The next class will not likely go up until December 1917.

Sometime ago we made an effort to get into the Students' Course, one of our ex-students who had an excellent record but were refused by the authorities there. We therefore decided not to recommend any except those who came to Carlisle and joined one of the regular classes. We carry these on our outing list and a certain portion of their earnings are sent to the school each pay day.

Very truly yours

Superintendent.

Dear Mr. Lipps.

I am here in Highland Park visiting my brother Peter who is working in the Ford Factory. I have been working for the National and March Co. of Pittsburg Pa. and while in Akron, Ohio I was injured and had to quit for a while, so I came here. I am a lot better now.

I am very anxious to stay here and get into the Ford Factory and take the students course there, so I would kindly ask you to help me get in.

I wanted to get in a long
time ago, but I could not
do so then, but now that I
am here I would like to
stay. I am sure you will
do me a great favor in
getting me in.

Was at school in Calicut
from 1901 to 1909 and was
a member of 1908, 09 baseball
team.

I shall be anxious for your
answer,

Yours

Yours Truly

Joe. Tarbell.

Dear friend:

I hope you did not understand from the last letter written to you from the school that we made you a definite promise that you would join the June Ford class. Mr. Bradley, our Director of Mechanic Arts, who prepares the Ford classes, tells me that the June class is about made up and that any other applicants would have to wait until the December class. My advice to several who have made application to come to Carlisle to prepare for the Ford has been to wait until September before enrolling here. You must remember that the first chance is given to our own regular students and that other applicants must take their turn. Perhaps knowing this you could change your plans and not return to the school until next fall.

Very truly yours,

D:R

Dear Friend - Yours on
hand and must say
was glad of your kindness
in helping me to get into
the Ford Motor Works.

You stated that you are
getting a class ready to
enter Ford's in June, I said
and am very anxious
to join that class and if
you will kindly enter
my name in the class
I shall be most thankful.

I will be ready to re-
turn to Carlisle at once.

I was a member of
the class 1913, but did
not finish and was
also a member of the
Printing Trade.

Hoping to hear from you
at your earliest convenience,

I am

Yours Sincerely
Geo. Tarbell

Dear friend:

I have your letter asking me to help you to get into the Ford Motor Works. Yours is only one of many letters which have come to Mr. Lippe within the last year from old students asking him to help them get into the Ford factory. His answer has always been that if they are willing to come back to Carlisle and enter one of our regular Ford classes, which prepares the boys to enter the students course, he will be glad to help them. If the young men have families or are in other ways unable to do this, he cannot help them. I would suggest that you write to Mr. Charles Daganett, Supervisor of Indian Employment, Washington, D.C., to help you get into some of the other factories in Detroit. If you wish to come back to Carlisle and prepare with one of our regular classes, I will be glad to do what I can to help you. We have our June class about ready now and are expecting to send another class in December 1917.

Very truly yours,

I arrived home
uesday from Detroit
e I had been for two weeks.
wanted to get into the Ford
Motor works, but was unable
to do so at the time.

I went to see Dr. Marquis
to see if I could get in and
he told me that the only way
I could do so was through a
recommendation from the
Supt from Carlisle. I was badly
disappointed that I could not
get in right away. I have
never had the chance to work.

DESI 1111111111

ROSENBERG, M. I.

6 article Va.

Dear Sir,

I arrived home on Thursday from Detroit where I had been for two weeks. I wanted to get into the Ford Motor works, but was unable to do so at the time.

I went to see Dr. Marques to see if I could get in and he told me that the only way I could do so was through a recommendation from the Sup't from 6 article. I was badly disappointed that I could not get in right away. I have never had the chance to work

where there was any chance of advancement. My brother Peter and I wanted to go into the business together and make something of ourselves and thus your recommendation gives reality to my ambition.

I had an accident at Akron, Ohio and that is why I could not play longer in Detroit as I didn't have money enough to keep me there longer.

If I get into the factory I intend to go through Mich. State Auto school. I could go to school in evening.

I have appealed to no one for help before, but now I do and with your help I will do nicely. Please don't refuse me, because I want to get in at once and take up the work.

To get into the Ford Motor works will mean a great deal to me. It will also mean a better life and better companions. You do not understand the conditions on the reservation. There is no chance here to make a decent living and I want to get out. I surely have the ability to do things if the chance is given me. I will surely appreciate your kindness in helping me into the factory.

I have talked it over with the boys at Detroit and we are forming an Athletic Club composed of ex-students of Carlisle.

They say they'll expect me soon.

As soon as I hear from you saying that you will get me in at the Ford Motor works I will start for Detroit at once, and please don't disappoint me.

The life here on the reservation is a misery to me, and when I get into Detroit it will mean happiness for me and for one whom I intend to have for a better half.

I hope to hear from you at your earliest convenience

Please do not publish.

I remain
Yours Sincerely
