We had a visit last week from Mr, Ned E. Brace of Carnegie, Oklahoma. Mr. Bruce was a student at Carlisle sixteen years ago, and this is his first visit to the school since leaving. Mr. Brace is a progressive Indian, and is very much respected in his community. He stopped here on his way home from Washington, D. C., where he had been sent as a delegate in the interests of his people—the Kiowas. He was very much interested in the improvements that have been made at the school since he left, and enjoyed his visit here.

Dear Friend

I am sorry

because of press in business I am unable
to except your kind invitation to
attend Commencement Exercises at the
school I dearly love. While I am disappointed
in not going once more to the place
where I have spend many happy days
my good wishes and prayers go
out with the out going graduating
Class of "1912" may they prosper and
succeed in life's battle and uphold
the already well established Standard
Banner of Carlisle Indian School.
My business is such that I can
not come at this time. I am farming
320 acres of land and as we have

Three years ago I thought
I would begin in soon because
prospects are right for the coming
Summer as we have more rain and
snow this Winter than we had for
the last three years. Again wishing
you all a very successful Commencement.

I am yours Sincerely
Ned E. Brace
