SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colo.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.

Mr. E. D. Mossman,
Superintendent, The Sisseton Agency,
Sisseton, S. D.

Dear Mr. Mossman:

It has been reported to me that when Jesse Wakeman went to his home "on leave" in June of 1912 he deposited an amount of \$28.13 to pay for his transportation. Later a corrected rate of \$30.19 had to be quoted and now there is yet due an amount of \$2.06. Similar amounts had to be collected from the Eastman boys and from Lucas Hart, who also went to their homes "on leave" about that same time.

As I am anxious to get the account settled I would thank you to bring the indebtedness to Jesse's attention, and anything you can do to assist in collecting the amount soon will be appreciated.

Very respectfully,

HKM.

Supervisor in Charge.

Superintendent, The Sisseton Agency,

My dear Sir:

May I take the liberty to call your attention to the letter that was addressed to you by Mr. Lipps on March the 16th of this year relative to an amount of \$2.06 that is due the Cumberland Valley Railroad Company as a balance on the cost of a ticket that was used by Jesse Wakeman in June of 1912?

Although the bill was too long overdue when Mr. Lipps took charge at Carlisle in February of 1914 it is a charge outstanding against this school and should be adjusted without further delay.

If you can do anything to assist, either officially or personally, the favor will be appreciated.

Very truly yours,

HKM.

Acting Superintendent.

In order that it can be determined what further action may have to be taken to collect an amount of \$2.06 that is yet due on a ticket that was furnished Jesse Wakeman in June of 1912 I would thank you to let me hear from you relative to the matter. On September the 15th of 1914 a letter as follows was addressed to you:

Mr. H. Friedman.

Supt. V.S. Indian School

Carlisle, Pennsylvania

Dear Mr. Friedman:-

I rec'd your kind letters and was very glad to know that you remember me with other ex. students. I am working real hard toward my own tribe, I helped Mr. Stevenson in his Y.M.C.A. work. He also gived Stereoscopic Lecture and Bible class in three churches.

This is what I am doing now but I expect to go back to Chicago in spring again. I am a member of the Chicago Athletic Association. I am the first indian ever join the C.A.A. and they treat me very good. Words can't express how they used me. I took Gus. looks round through our club last summer.

I am proud of Carlisle every time I hear anything of the school. But above all things I am very glad I never have any trouble with any of the employees.

I will be very glad to get the "arrow".

My present address is Goodwill Mission
School, Sisseton, S.D. and in summer
time, my address is in Chicago, Ill.

My wife is also Carlisle girl ^{she is} ~~and~~ living
from S.D. Her former name is Bessie E.
Pennel. We both always very glad to hear
from Carlisle. I send many good wishes
to all of my friends especially Y.M.C.A.
boys and Inevincible boys.

Sincerely yours,

Mr. Jess Wakeman,

Flandreau, South Dakota.

My dear Friend:

Referring to the letter you addressed to Mr. Meyer at this school on the 25th instant, I must advise that your brother Alex's return home for the summer months should not be effected unless it is absolutely necessary that he assist your people with the work they have to do. Let me suggest that you talk the matter over with Superintendent Peirce, thru whose aid Alex was enrolled here, and that then a recommendation from the Superintendent be forwarded to me with another letter from you. Herewith is enclosed a blank form upon which a request for a vacation for Alex may be submitted for our files if Superintendent Peirce approves. You will note that a sufficient amount to pay return railway transportation must be placed on deposit.

I am glad to know you are making good use of the lessons you learned at Carlisle and I hope we shall hear of your continued success. Let us hear more about you

and Mrs. Wakeman so that we can keep in closer touch with all of you.

I must inform you further that a subscription price of 25 cents per year is now charged for the ARROW, as the increasing cost of materials makes it more and more difficult to keep the expenses at our printing office within bounds. Upon receipt of that amount your subscription will be listed.

Very truly yours,

Dear Mr. Meyers:

We have decided to have my brother, Alex Wakeman to come home during the two month vacation. We need him home very much this summer to help us work, and I am going to pay his fare both ways and deposit the amount required. Please let us know if he could come home and how much to deposit there at Carlisle.

Mr. Meyers I am glad that I attended school at Carlisle. The Y. M. C. A. of Carlisle certainly has made a man out of me.

I am now Gen. Field Secretary of the Dakota Y. M. C. A. representing five states. I hope brother Alex will stay there until he makes good.
