SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a non-reservation school. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

George Little-deer, who had an attack of gonorrhoea only a few weeks past, has again worshiped at the altar of Venus and has again acquired a souvenir. I think that his usefulness at this school has ended and recommend that he be sent home just as soon as he can be medicated into a passable condition.

Mr. Walter F. Dickens,
Superintendent, The Red Lake Agency,
Red Lake, Minn.

My dear Sir:

I submit below for your information a copy of
a report that was handed to me on the 20th instant by
our School Physician:

"George Little-deer who had an attack
of gonorrhoea only a few weeks past, has
again worshipped at the altar of Venus and
has again acquired a souvenir. I think that
his usefulness at this school has ended and
recommend that he be sent home just as soon
as he can be medicated into a passable con-
dition."

George has an amount of \$47.15 now to his credit
in our school bank and because of his apparent moral un-
fitness for enrolment here he will be sent away from Car-
lisle just as soon as he can be gotten into such shape
that he will no longer be a menace to the health of any
one at his home.

You will be notified at a later date when to expect
him at home.

Very respectfully,

HKM.

Supervisor in Charge.
