8. What other positions have you held since leaving Carlisle?

Followed the trade for some time. That I learned at Carlisle as a tinner and plumber, have done some carpentering also.

9. Tell me anything else of interest connected with your life:

One of the best traits in my life is to do my fellow man some good in the religious way, have fought the evil of liquor at all times. Since coming here I have ^{brought} the liquor question here in our County as a political issue, being a voter with my assistance and my vote two years ago we voted our County dry, again last year we made great effort to keep the sale of intoxicants out of our County, but we lost. Take considerable interest in all questions relating to the laws of our State and right government. Have endeavored at all times to keep up the good name of Carlisle, so that Carlisle will not be ashamed to own me as her son. With the best regards and wishes

for Carlisle. I am Chas. S. Hood.

N.B. Two years ago, I drove sixty miles, on the eve of election day, to cast my vote against liquor, rather than to be absent

Hon. John Francis, Jr.

Supt. Indian School,

Carlisle,

Penn.

My Dear Mr. Francis:

I am in receipt of your letter of the 26th of October Last. The cordial greeting contained in the said letter, seem to bring back to me the vivid scenes, of my best days, when I was a student of the dear old school, Carlisle. Since leaving there, I have endeavored to live so, the School would not be ashamed of me. How, I wished that I would have been present, there with you, on the 38th anniversary of the School, just a short time ago.

I may be able to pay you a visit, this coming Winter, on my way to the National Capitol, should every thing look favorable and right.

I have here lately, got kind of unconcerned and careless about our School, which has been the means of shaping our lives in the way to live upright. This is the first letter, that any Superintendent, has written us, since the founder of the School, Brig. General R.H. Pratt, left there.

We thank you, very much for the interest you, have in us.

With the best of wishes, for you and the school.

I am most sure, Mrs. Heed will join with me in this as she is an ex Carlisle student.

I am enclosing you the fifty (50) cents, for The Arrow and the Red Man; please send the paper to me, at Klamath Agency, Ore., my future address.

I am yours,

Chas. E. Heed,
