The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

NOTE.—Age limits, fourteen to twenty years. Preferably fourteen to eighteen. Students must be at least one-fourth Indian, preferably full Indian. Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

INDIAN GIRL ELOPER CAUGHT

Sorry She Ran Away With Negro,
She is Returned to School.

Special to "The Record."

Glenolden, Pa., Dec. 30.—Weeping and expressing sorrow at her escapade, and declaring that she wanted to forget the entire occurrence, Mary Rogers, aged 17 years, a comely Indian maiden, with 160 acres of valuable land in Minnesota, who ran off with Morrison Monroe, a colored youth of Horntown, December 7, rather than return to the school, was arrested by Indian Agent Dicky, of the Carlisle School, and taken back to that institution this morning.

Steps will be taken by the Government to have the marriage annulled, and it is said that Monroe will be prosecuted for perjury. At the hearing before Justice of the Peace Trout, Monroe wisely remained away and made no attempt to communicate with his Indian bride. The girl belongs to the tribe of Chippewas.

Patron says M. came to her April 7th, only family satisfactory, she does not like being corrected; skirt is improving a little, and her salary will be increased to \$5.00 if she continues to improve. She has been, without permission, visiting a woman in the neighborhood. Does not seem to understand school rules, shows evidence of lack of discipline at home.

M. says she likes her home, will make all effort to do better.

Dear Sir,

As I haven't heard from my daughter for the past two months I will write and ask you a few questions as she often complained about her eyes, and I also would like to know where she is, so I can write to her a few lines. She was placed in your care and why not do your duty and send her report card. We always like to hear from the children - that are away at school. So would like to hear from you regarding the matter.

Mrs. Julia Rogers
Callaway, Minn.
Dear friend:-

I have your letter relative to the reports of your daughter Mary, and regret to inform you that Mary ran away from her country home November 6, 1911 and we have not heard of her whereabouts since that time. I am very sorry that you were not informed of this. We have made every effort through the visiting agent, Miss Gaither to locate her but have failed to find her. Miss Gaither's final report of the matter was that Mary's brother John, had sent her money to go west and that she had in all probability gone out to him. We do not know John's present address.

I am sorry that I cannot give a good report of your two children while they were connected with the school. They were bright children but a care to those in charge of them.

Very truly yours
