Mr. J. Geo. Wright,
Superintendent, Osage Indian Agency,
Pawhuska, Okla.

Dear Mr. Wright:

I am having enclosed herewith a copy of a self-explanatory letter that was addressed to the husband of the Osage girl who was enrolled at Carlisle by the name of Mollie Mantell. The Cumberland Valley Railroad Company's Auditor is urging payment of the amount and if there is anything at all that can be done by you officially or personally to secure the desired amount of $1.11 it will be a favor indeed.

Although the bill was an old one before Superintendent Lipps came to Carlisle the charge is yet outstanding against the school and it seems only fair that an effort be made to secure the amount required to settle the indebtedness.

Trusting you will not be inconvenienced by this request, I am,

Very truly yours,

HKM.

Acting Superintendent.

March 16th, 1915.

Mr. Alfred Lamont,

Pawhuska, Oklahoma.

My dear Sir:

I must again call your attention to an amount of $1.11 which is yet due on the ticket that was furnished you when you left here with your bride in June of 1913. I am anxious to have the indebtedness cancelled and I would thank you to let me hear from you without delay.

On September the 7th of 1914 a letter as follows was addressed to you:

> "The Cumberland Valley Railroad Company has notified me that a total amount of $7.11 should have been paid by you when you left here in June of 1913 to cover the difference in the cost of transportation from Carlisle to your former home at Ontonagon, Michigan, and from Carlisle to Pawhuska, Oklahoma.
>
> It seems that $6.00 is the amount that has been received by the Company and that an amount of $1.11 is yet due.
>
> Will you kindly cooperate with me in adjusting the matter by sending without delay the $1.11 required to cover the balance due?"

Very truly yours,

HKM. Supervisor in Charge.

Dear Sir:

Referring to the letter from Mr. Huff, dated August 11, 1915, in reference to collecting a balance of $1.11 from Mollie Mantell, to settle the account of the Cumberland Valley Railroad Company for transportation for such pupil, you are advised that this matter was taken up with Mollie Mantell, now Mollie Lamont, and she apparently is utterly indifferent as to whether the account is settled or not, and did not pay the money over to this office as requested.

It is probable that nothing can be done until December Payment, at which time the amount can probably be collected and forwarded to you.
