The Carlisle Arrow,
Carlisle Pa.,

I have been receiving the Arrow, and enjoy reading when it comes. but it takes it so long in reaching me now, since I have changed my field of labor, from Fort Hall Reservation ^{in Idaho} to Amatilla ^{in Oregon}. I am now working among my own people. I have been here two years, and doing very well with the work, and God is blessing us Indians here in many ways.

Most all of the returned students are doing very well. There ^{are} few who are not doing much to help others to go by their example, I am sorry to say. and our Temperance Society is doing good work for them. We have strong society in our Church.

I always remember dear old Carlisle, and the days I spend there. I am very thankful for all what Carlisle has done for me. I am more thankful for Christian Teachers and friends, I had while at Carlisle. I say God bless their lives as well the school.

I want to be remembered to all my dear friends.

Very respectfully Yours,
Jas. G. Dickson.

FROM REV. JAMES DICKSON.

Rev. James Dickson writes from Nebraska where he is working in the mission:

"I am so glad to receive *The Nez Perce Indian*. It is just like a letter from home and we read it with great interest. I think the little paper will be a great help to our people and will encourage them.

"I heard some good things about you here from people who knew you, and I told them about your work and the interest you are taking among the Nez Perces as Superintendent.

"I have been here since May 23rd. My work at present is here at Winnebago. We are living at the Mission. You know where that is—near the Agency. I am helping Reverend Watermulder, and in his absence this summer I did all of the work for five weeks. He was much pleased with my work when he returned. We are working hard. We go out calling five days in the week and have two cottage prayer meetings a week at different homes. We are very well and happy in the Lord's work.

"Remember us to friends there at the Agency. Hope they are all well and hard at work."

Indians To Hold Meeting.

Commencing tomorrow evening the Indian congregation of the Tutuilla mission will commence upon a series of meeting which will continue for over a week and for which many Indians from other reservations will be in attendance. From the Warm Springs reservation Rev. J. A. Dickey and seven or eight of his church workers are expected while the Yakima and Idaho reservations are expected to send upwards of fifty delegates. Invitations are extended to white people to attend the services. In order to be present for the meetings, Mrs. J. G. Dickson, wife of the Tutuilla pastor, and her aunt returned today from Stites, Idaho, where they had been visiting.
