Mr. F. A. Abbott,
Commissioner of Indian Affairs,
Washington, D. C.

Dear Mr. Abbott:-

This letter will introduce to you Mr. Harvey D. Warner, an Omaha Indian, who desires appointment as disciplinarian in the Indian Service. He has just brought his boy here to attend school.

Mr. Warner was educated at Carlisle, having spent nine years here at the school. He worked at the carpenter trade while at the school, and his record while here was excellent. I have kept in reasonably close touch with him as one of our returned students and find that he has been doing well in Nebraska. He was for a while Postmaster at Macy, Nebraska. I have spoken to several of the attaches of the school, who were here when he was a student of the school, and they speak of him in the highest terms. I feel sure that he is in earnest, and believe that if he is given a trial that he will make good. He is particularly desirous of obtaining the position of disciplinarian at Genoa. His education and training should make him a valuable aid in the Indian Service.

Very sincerely yours,

MF:SR

My dear Sir:-

I have your letter of recent date in regard to Mr. Harvey Warner paying for a ticket, which he procured for his son under questionable circumstances last fall. Mr. Warner was called to the Office and he agreed to pay the amount due the company to the C. B. & Q. Agent at Walthill, Nebraska.

I shall keep in close touch with the matter and see that he pays it.

With best regards, I remain

Very respectfully,

My dear Sir:

I submit below for your information a copy of a letter that has just been received here from the Philadelphia representative of the Chicago, Burlington & Quincy Railroad Company:

"I am just in receipt of another letter from our General Passenger Dept. at Chicago, with reference to the account which still remains unsettled on ticket furnished from Walthill, Neb. to Carlisle, Pa. which was delivered to Charles Warner September 1914.

I trust that matters have assumed such shape that early payment of this amount can be made, for the reason that our Auditing Dept. would like to bring this matter to a close. As previously explained, we paid the portion accruing to the line east of Chicago.

Hoping to have a satisfactory answer at an early date, I am,"

Will you please advise me without delay what further action has been taken by Mr. Warner, so that a report can be made for the information of the Burlington people?

Regretting that we here are placed in the position

My dear Sir:

I regret very much to advise you that nothing additional has been learned regarding the payment of the charge that is referred to in your favor of the 11th instant. I am having a copy of your letter forwarded to Superintendent Johnson of the Omaha Agency at Macy, Nebr., with a request that he advise me without delay what Mr. Warner expects to do about making the payment.

The best that can be done here is to hope that a settlement will be made at once by Warner and that such a report can then be conveyed to you. I should have a definite reply from Superintendent Johnson within a week or ten days.

Mr. Axel Johnson,
Superintendent, The Omaha Agency,

My dear Sir:

One of the traveling agents of the Burlington Railroad office in Philadelphia was here this evening to inquire about the amount that is yet due for a ticket that was furnished Charles Warner in September of 1914. Nothing more than the promise contained in your letter of the 18th of October could be reported.

In view of the fact that the matter has been too long delayed it is my belief that drastic action should be taken without delay. There is no doubt that fraud was committed by Mr. Warner and unless he makes payment at once further action should be taken against him.

May I have your further cooperation?

Very respectfully,

We have, also, discuss^d the matter with the local Agent of the C. B. & Q. R. R., and he has promised to take the matter up with Harvey Warner. I am today writing a letter for Harvey Warner to come to the office in regard to the matter.

Your letter of the 2nd instant has been received here and I regret very much to state in reply thereto that nothing definite has been heard in regard to the amount that has been so long overdue for the ticket you had furnished to Charles Warner at Walthill, Nebraska, more than a year ago. A copy of your letter is again being forwarded to the Superintendent of the Omaha Agency at Macy, Nebraska, thru whose office the collection must be made, and I am requesting that I be advised immediately just what can be done.

If I do not receive a favorable reply without delay an effort will have to be made to settle the account from Government funds.

My dear Sir:

Referring further to your favor of the 2nd instant and our reply thereto on the 3rd, I now respectfully submit below a copy of a letter that was addressed to me on the 11th of this month by Superintendent Johnson of the Omaha Agency at Macy, Nebraska:

"I am in receipt of your letter of December 3, 1915, relative to the ticket which Harvey Warner obtained from the Chicago, Burlington & Quincy Railroad Co. under questionable circumstances. I believe it would be advisable for you to write to County Attorney Larkin, J. A. Larkin, Pender, Nebraska, stating the facts in the case. I will take up the matter with Mr. Larkin and I believe that Warner will come across, if not, I do not see anything to do but to institute proceedings in the courts. Warner does not possess any property, except his home and I doubt very much if anything can be collected, however, I think when he sees that criminal prosecution stares him in the face he will pay the amount to a local Agent.

Assuring you of my desire to get this matter settled at once, I remain,"

Will you please advise what course of action in this case you desire to have taken?

Dear Mr. Lipps:

This is to advise you that the agent of the C. B. & Q. Ry, Walthill, Neb., has been reimbursed for the ticket that Harvey Warner secured for his son Charles, at the Walthill office, by misrepresentation. It was contended by the Warners that the ticket was lost by the boy, Charles; but I am inclined to think that it was destroyed. At any rate, the parents of the boy have seen fit to reimburse the agent for the ticket, and the incident is now closed.

Very respectfully,
