11. Have you done anything for the betterment of your people? Write fully. *No I*

have not done anything for the betterment of my people, because I'm away from home most of my time, as a result that my people did not wish me to leave home in the first place to attend school, etc.

So in fact I have been obliged to find work else-where, but lately realization has over-towered them, now wishing me to return home to stay, which in near future I expect to leave here and return home once more.

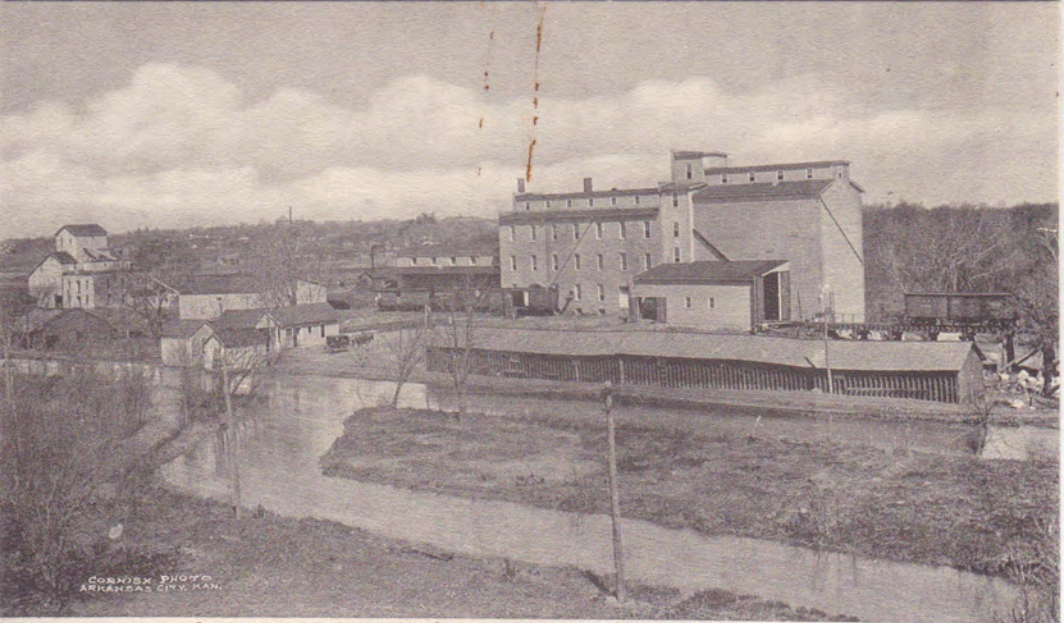

21
Hoping that my help be of some value
to my people in the future.

12. Tell me anything else of interest connected with your life.

My experience since leaving Carlisle
has proved to me that it pays to educate the
Indian.

For the reason that it enables him
to go out into the world, to struggle for him-
self, as for me, the benefit I received while
in Carlisle, is that I have no fear to meet my
fellow-men face to face, always ready to hold
my rights, thinking I can do as much as
any average man or more.

I do not hesitate to say that Carlisle
could do any thing better than to keep up its
good work toward educating the Indian,
as far I have seen for myself that a school
schools on reservation, is only a mere starting
place for self improvement of the Indian children.

Supt. Friedman.
Carlisle Pa.,
Dear Sir:

Your letter was received last week, with much pleasure, and will now drop you few lines in return.

I'm glad to think, that I'm still ~~still~~ remembered at Carlisle, from which is the great starting point of the many students, who goes forth to face the trails, and ups and down of this one wide world.

Since my return from Carlisle my "Alma Mater" always to be, I stand for ever and praise its great work towards the bringing up of the Indian youths, I chance to meet some of the old students ~~now~~ and then,

I find most of them doing well,
and hope that its good works may
never cease, wishing its new year
with greater success than the past
years.

At this writing I'm working for
Electric Light & Water works Construction Co.
and am proud to say I'm under a
good foreman, but at present we are
tied up in snow of mid winter, having
had ten degrees below ~~for~~ zero for our
coldest days so far, this is of the south-
western part of Kansas.

Will now close wishing you
Happy New Year, and to all that are
at Earlisle. I remain Respectfully
