Dear friend:-

I have your letter of the 17th inst and am glad to hear from you because you seem to be making a success of your work.

I would advise you to write to Mr. Charles E. Dagenette, Supervisor of Indian Employment, Denver, Colorado, about work in the Service. Mr. Dagenette is a Carlisle graduate and his work is to find work for all Indians in the United States.

I think he can help get what you want. I have written him this morning too, and sent him your name and address but it would be well for you to write yourself to him, also.

With best wishes for your continued success,

I am

Your friend

Superintendent.
