The Carlisle Arrow & Red Man,
Carlisle, Pa.

Dear School friends:

It is with pleasure for me to read the school paper of which I once attended, to hear of so many school mates as well as school friends noticing that some are in the U. S. Army, and elsewhere, I would feel as if I heard from them personally by reading the columns of *The Arrow & Red Man*.

When I left the school in year 1900 being in junior class of about forty in number is still in my memory, I went to Portico Rico to a place called *Arbonito*, between San Juan and Ponce, where I joined 5th U. S. Cavalry, Troop, "G." was with them nine month when the regiment were ordered back to United States. to Ft Eather Allen, Vt. Hence I applied for transfer to the squadrons that's going to the Philippines Islands where I stayed two years and came back with honorable discharge. I have been farming ever since and my aim^s to do more as I have been fortunate to have three healthy boys and three girls of which four^{out} going to day school, We are handily

located,
The Church, school house and Cheese factory
are all within three fourth of a mile, also
on the Mail Route,
yours truly,
Emmanuel Powell

P.S. I am sending a slip of names whom
were drafted to the Army.

MANY INDIANS ENROLL.

FORT YATES, N. D., June 22.—If there is anything in a name a number of Sioux Indians who registered here for the army draft should be of material assistance to the government. Among those who enrolled for service are: Love-the-War, Shoots Near, Take-the-Gun, Shoots Walking, Standing Soldier, Did-Not-Butcher, Horse Thief Wounded with Many Arrows, and Taken Alive and Comes Home Alive.

Mr Wallace Denny

Indian School Carlisle, Pa.

Dear coz:- I am writing
to you just a few lines
as I wish to hear some
news no doubt you
are full of it just after
the Holidays. I am sorry
I could not tell you any
as it is quite dull here,
we are having a lot of
snow, it storms about
every other day. we can
not do much on that acco-
unt. and I should do something

If you know of
some where that I might
be able to fill, business
here is very dull. I
have such a small farm
too it seems I could not
make a head-way.

I am thinking of trying
another way of getting
a hand-hold. It has
been eight years since I
^{have tried} to make a pile but with
out success. And I know
I can not do better here
as the chances are not
so good. I have done
everything that a man
might to do. wish
To hear from you soon

The people here in
general are in good
health.

This is all I have
to write say my regards
to my acquaintance.

I am your coz.

Emanuel Powlas

Mr. Emanuel Powlass,
West DePere, Wis.

Dear Friend:

Your letter to Wallace would remain unanswered, if you wait for him to answer it so I have taken the liberty to answer it for him. Mr. Chas. Dagnett who is located at Denver, Col. has charge of the employment of Indians in the Indian Service, if you will write to him in care of the Indian Employment Office, and tell him what you want in the way of work and what you can do, I feel quite sure he can help you. We will be glad to give you any help in the way of recommendation, if ours is worth anything, that we can.

With best regards to you and yours, I am

Your friend,

HRD-MID.
