9. Tell me anything else of interest connected with your life:

The devil got the best of me for nearly 15 yrs. and drank more whiskey and beer than any one else I know of until about 6 years ago God reached out his Almighty hand of Salvation and mercy which I accepted and became a forgiven child and am now living and growing under the blood stained banner of the "Great Conqueror" over sin and death - I have regained the respect and confidence of my fellow men so now if I was asked to give references, in any commercial transaction I would not hesitate to refer you or anybody else to any business or professional man in the two counties Brown and Outagamie Wis. with whom I ever did any business. Praise belongs to God for all this. The greatest blessing tho. is this: My wife and I were married May 1st. 1906 and today <sup>we</sup> are the happy parents of two bright and healthy boys and a baby girl whose ages range 3 yrs. 2 yrs. and 4 months respectively - No sickness in 4 years! Think of it.

The only fault I find is that the children all take the fair complexion and light hair of their Anglo-Saxon mother but if they all turn out as good and conscientious Christians as their mother I shall forgive them without any effort - I appreciate what Carlisle has done for me and my people and wish it grand success in the future - I beg to remain your friend with much personal regards -
