Dear Friend Mr. Friedman Supt.

I received your kind letter, this morning, and of course I'm always only too glad to hear from you.

We people out this way in the west are having, a very dry weather this summer, and our crops are turning out very thin or may say very thin. we only had two or three rains during the season.

I wish to notify you that I haven't been home, for quite -

- a spell a time. or else I would  
have answered every one of your  
letters. there are people here and  
there, writing, and I have always  
took pains to answer them all  
in the right way. and never  
acted or had the idea to be  
above any one else. there are one  
or two questions I couldn't answer  
at least one. I will now come to  
a close. hoping to hear from you  
again. =.

I remain as ever your Friends.

Anderson Silas.

I will give you my address  
on the other side.

Anderson Silas
