Dear Sir and Friend:

going south about Christmas.

The weather out here is

We had snow here on the

Monday.

Well! my dear friend, I have
no more news to tell you so
I think I will close wishing

Dear Sir:

Received your letter a few days ago and I am very glad to hear from you.

I am well and happy and working pretty hard in a saw mill at Mattoon Wis. I have been working here now about nine (9) months, but I have a better job coming and I will tell you what that is. There is a family here where I am boarding that

are going to move to Gary
Indiana, and I am going
with them, and we are
going to run a taxicab
business of our own, and I'll
have a half interest in it.

What do you think about it?
Would you advise me to
undertake it?

I am very sorry that I
cannot accommodate you in
securing pupils for your
school as I am on a job
that I think is going to pay.

I am always for Carlisle
and I think I always will be.

I am very pleased to hear you
wrote me about it but
please excuse me for
not accomadating you, will
close with best of regards
and wishing you success.
Hope to hear from you again
sometime.

I remain always your
Friend

Duchateau

Dear Friend:-

I have your letter of September nineteenth, and am glad that you are getting along so well. You asked my advice with reference to embarking in the taxicab business in Gary, Indiana. I note that you are going with some person to take a one-half interest in the concern. While I am not in a position to know the details of the business, I would advise you to go into this with a great deal of care. I would hesitate very seriously before putting any money in a concern of this kind before asking the advice of someone near at hand in whom you have the utmost faith and confidence,- someone who is not interested in the affair at all. I hope that you will find it possible to visit the school sometime.

Your friend,
