INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases, where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Howard Jones,

R. F. D. 5, Syracuse, New York.

My dear Friend:

I have your favor of January the 4th, and it is gratifying to know that you are striving to uphold the principles that were taught you while you were enrolled at Carlisle. It is earnestly hoped that you will continue to make such progress and that you will always try to be the right kind of a young man in spite of failures that may sometimes be your lot. It cannot be necessary to assure you that you have my best wishes in any efforts you may put forth for your own advancement and that of those with whom you come in contact.

Regarding your return to school I can only say that you are now past the age at which students may be admitted, and that it is doubtful whether your enrolment can be effected.

Very truly yours,

HKM.
