O. H. Lipps, Supervisor,
Carlisle Indian School,

Dear Sir:

By your letter of February 5th 1915, there was referred to me a claim of .50¢ against Ellen Hill by B.S. Behney, of 202 Locust St., Harrisburg, Penna., for dental work done for Ellen while she was at Carlisle. She states that she had some work done by this man but that she paid him in full. That at the time he made claim for additional payment, Mr. Friedman then Superintendent, refused to allow the claim because the gold filling which he had put in had dropped out and she had gone to another dentist and had her teeth fixed.

Respectfully,

Superintendent

Ellen Hill
C/o Irving H. Foster,
State College, Pa.
Dear friend:-

I was glad to get the nice letter you wrote me. It shows me that you are doing your best to be a good girl in the country and that you are happy and contented. I am glad too that you are trying to learn how to keep house. There is no better way for our girls to learn housekeeping than to go right into the homes of some of the best people in the State and learn by actual practice.

You ask me about your home letter. It will not be necessary for you to write another one this month but remember hereafter that you must send your home letter when Mrs. Foster sends in your monthly report. You need not put any stamp on it as we send them without stamping.

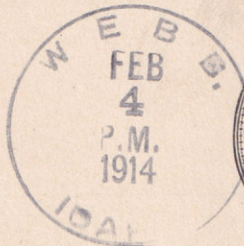

I hope that you will continue doing good work and that you will spend a very profitable winter with Mrs. Foster.

Very truly yours,

NRD

Dear Mr. Sharp:

There has been referred to me by the Office at Washington a number of outstanding charges for dental work that was done at this school in 1910 and 1911 by Dr. B. S. Behney of 202 $\frac{1}{2}$ Locust Street, Harrisburg, Pa. Among the number is a balance due from Ellen Hill of 50 cents.

Will you please refer the matter to Ellen and remit direct to Dr. Behney if she is willing to pay the charge? Let me suggest that the Office be notified when the indebtedness has been settled.
