Mr. Arthur Bonnicastle,  
Pawhuska, Okla.

Dear Friend:-

I have recently met several friends of yours as well as some of our former graduates and returned students who know you, and I regret to hear that you are not making as thorough use of your education and training as would be most apt to lead to your happiness and prosperity.

I have a deep and personal interest in every returned student and graduate of this school, and I want them to engage in those activities and make such an impression for good in the community in which they live, as will not only reflect credit on Carlisle, but will show the value of educating an Indian.

I shall be glad to hear from you, and if I can be of any service, do not hesitate to command me. In the meantime, may I express the hope that the next time I meet anyone from your locality that information will be conveyed to me that you are associating with the best men in your locality, and are rapidly becoming an influence for good among your people. The surest way of any man

Arthur Bonnicastle, -2-

being happy and prosperous is to work hard for his living, and live a clean, earnest, christianalife.

Very sincerely your friend,

MF:SR

Superintendent.
