My dear Friend:

I thank you for the letter you addressed to me on September the 19th. I am pleased to know that you are so well located in a home of your own and that you have a daughter to bring up. I congratulate you on the success you are making of the extra work you are doing in connection with your home duties. It is such co-operation that makes homes and you have my best wishes for a very happy one.

It is to be regretted, of course, that your conduct while at Carlisle was not what it should have been, but I know you realize now what a mistake you made and so you can only hope to atone by making your daughter a better girl than you were. I believe that you can do it.

Very truly yours,

HKM.

Dear Friend:—

I was down to Pala a few days past and saw Mary Brittain. She told me that you had wrote and had asked where I was. I am living in a small town called Tenerula 40 miles from Los Angeles. I have 150 grown turkeys and 300 just hatched & hatch in an incubator

I am very busy now canning fruit & got 350 quarts put up for I keep quite a few

orders I do all my house-work
and tending to chickens and turkeys
but I have a sister-in-law who
does my cooking while I do the
whole family washing. I have
a baby-girl four months old she
is very good she looks a great
deal like her father I have not
yet named her. How are all the
children?

I wish I'd been a good
girl and had stayed at Carlisle
a long time

I received my arrow the
other day was so glad to get
it.

Very Respectfully

SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

This form is to be used only in transfers from reservations or Indian schools to nonreservation schools.

Suggestions for Supplying the Information Requested on this Blank.

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
