Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Patron has delightful farm home. Phoenia went to her April 9th 1909, remained until Jan. 1910 - then because of poor school transferred to Lansdowne Pa and in following Spring returned to patron. Patron knows how to manage her, and Phoenia works well under patron's supervision, but cannot be trusted alone. Phoenia is willing and honest, Patron would like to keep Phoenia, but the local school is so poor, that she does not keep girl for winter. Phoenia should return to Carlisle for winter, and wants to do so.
