Mr. Isaiah Masaquem,

My dear Sir:

This is to thank you for the information you conveyed to me under recent date on one of our record blanks. It is gratifying to know that the Carlisle training has been of use to you in your everyday life since your return to your home and that you are getting along the better because of it.

I have noted what you say about the young men who desire to come to Carlisle. Please hand them the blanks I enclose herewith and inform them that their enrolment can be effected if they will submit me satisfactory applications establishing their eligibility.

There is yet room here to accomodate a number of students and if you can persuade any of them to take advantage of the opportunities afforded them here the favor will be appreciated.

Very truly yours,

HKM.

superintendent.
