Mr. Lazarus Willis,
Charlevoix, Michigan.

My dear Friend:

This is to thank you for your letter of August the 21st, which contains the information that you have succeeded in interesting a number of young people in Carlisle. I am pleased to know that you have met with success, but for the reason that only your traveling expenses to and from Carlisle can be paid, I cannot arrange to send you funds for use in collecting students. It will be required that parents send their children to the point from which you have to start for Carlisle, which may be at any railroad station.

In this connection I must also add that applications should be sent me for consideration, so that then transportation can be placed to your order for your own and theirs of those who are eligible.

I am enclosing additional application blanks for your use.

Very truly yours,

HKM.

Superintendent.

Dear Sir

Today is a very nice day and I'm thinking of Carlisle Indians School because I want to know every thing about it. Nineteen years ago I was to this school and wishing to see Carlisle again.

Do you want any children to your school if so I have already my son and two others. If you want to hire me to get school children the right age please let me know I can do it because I've been to Carlisle and I can tell them all about

it. If you hire me I have many places
to go Northport Cross Villages Harbor
Charlevoix Sheboygan and some points
up upper peninsula. We have
Camp meeting in Charlevoix Aug 25th
Close Sept 1st and at Northport we
have another camp meeting there
and that's the place the children
see their parent Camp Meeting Aug
5th Close 15th. If you want me
to take school children over I'm
willing to

yours truly.
