Special cases beyond the age limit will be given consideration. An industrial course only can be taken and the term reduced to three years, in exceptional cases.

INDORSEMENTS

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on it being changed to suit the case.

Dear Sir.

Yours of November 8, 1916 received
& glad to hear from you. I just received
the letter. & it has been bothering me
every since November.

But in regard to your question
about me drawing check which amt. to
\$0.36, on Dec. 1, 1910. Well I can not
recall that, of which amt. \$0.36, on
Dec. 1, 1910. Because I return to my
home about the same year of 1910. I was
not there during the December at all.
& I have drawn checks when I was at
the school. But not later than Dec. 1, 1910.
I have left Carlisle nearly seven years.
& if I did, ^{in fact} have the check in my
possession, I would be glad to return
the return check to you.

(2)

It may be some mistake in keeping
it may be mistake in the
boys names. Because the ^{little} boy named
just nearly the same as mine, my
name is Thomas Mays, the boys is Thomas
Mays, something like that. He use to be
my troop G.

I don't just know what to do about
that. Because I can not recall it.
I'm coming home same year, I was
not there in December.

Wish you would notify me
about this trouble you people having
about the check.

Yours very truly,
Thomas Mays
