Mr M. Friedman.

Carlisle, Penna.

Dear sir:

It has been a long time since I have written to any of the student or an employee. The record of myself as an ex-student of Carlisle is as true as I can make it without exaggerating. If any one should have any doubt about it they may write to Geo W. Nellis Indian agent for Pawnees.

Mr Friedman can you let me know in your reply if an ex-student can have a set of hand made harness made with brass-hame knob and brass trimmings and also quote the price. I saw in the Arrow that one can order a vehicle of the school.

I and my family are all well. Hoping you and Mrs Friedman are both well. Enclosed find post card picture of my boy Raymond Barnum. for Mrs Friedman.

Yours truly  
Harry Cummings

Mr. Harry Summings

Dear friend:-

I have your letter dated November 6th and am pleased to hear from you and to know that you are getting along well.

With reference to your inquiry regarding a set of harness, I have to say that about two years ago, the department of harnessmaking here was abolished so I am not able to help you get what you want in that line. We have different vehicles for sale and will be glad to hear from you further should you decide to order one.

Very truly yours

Superintendent.

Dear friend Harry:

I was glad to get your letter, and to learn that you have a good position and that you are pleased with it. I sincerely wish you every success in your efforts to do the work that is given you to do.

Regarding the uniform suit that you wish to be made at this School, have to say that we do not do that kind of work. Our force is kept busy making clothing for our own students. We could not possible take in any outside work. I am sorry that we cannot accommodate you.

Sir:

Your letter of recent date at hand and will now answer and return the blanks. I can not say or state every thing that I possess, as there are lot of expense to pay out as I am just starting in farming.

I may be able in later years to make a better show to what I intend to make use of what I have learned at school.

I have at least 21 acres of corn  
that is fair and 5 acres of fine cotton  
and potatoes and 26 tons of hay

We are all well

Yours truly

Harry Cummings
