Mr. Jas. C. Grant,
Browning, Montana.

My dear Friend:

Replying to your letter of January the 19th, in which you advise that a number of the young men near your home have spoken to you about their enrolment at Carlisle, this is to state that I will be pleased to co-operate with you in arranging for the enrolment of any whose applications are approved by Superintendent McFatrige. The blanks I enclose may be distributed among those who have spoken to you about this matter.

I will also state that if a party of sufficient size can be secured it may be possible to arrange so that you can accompany the party to Carlisle. That is a matter, however, that would have to be arranged by your Superintendent.

Thanking you for bringing this information to my attention, and assuring you that your further assistance

Dear Sir.

There are some boys asking me about Barlisle and I told them that the Barlisle is the only place to learn something if they want to go ^{to} school so I told them that I would write to you to find out about transportation but they want me to take them down if they should go so will wait for Ripley.

I am yours Truly
