Mr. Grover Long,
Lower Brule, S. D.

Dear Friend:

I have your letter of the 7 inst., and am glad to hear from you once more. I am glad to know that you have a good job and you are making good at it. I have been very much pleased with the reports we have received this year from the Carlisle graduates and ex-students.

I am making an earnest effort to get in touch with as many as possible not only because I want the matter for record, but because I believe it is an encouragement to the pupils to be remembered by the school.

I am glad to hear about the other Carlisle students working with you, and will appreciate it if you will give me any other information about any other student from this school at any time.

Wishing you continued success in your work, I am

Very truly yours,

HRD-MID.

Dear Sir -

Your letter of the sixth at hand and have filled the blank to the best of my knowledge. Mr. Friedman & I often regret the thought of not finishing school while I had a good opportunity. Have worked at several different kinds of work since I left school trying to make my way.

Last February I took the Farmers examination and in April was appointed at Lower Brule. I am getting along very well and like the place. There are three of the Carlisle students here as employees. Violetta Nash Olive Webster and my self. I think that is good for Carlisle to have three students employed at one school. I wish my appointment could have been at Carlisle. With best wishes Respt.
