Sherman Institute,

Riverside, California,

April 16th 1910.

Dear friend:-

I shall be very glad to have you send me the Commencement number of the Arrow if you have any extra copies left. I also would like if you will send one to my friend, Miss Frances B. Lomas also the May number of the Red Man.

The blanks of which you send some time ago have not reached me. Have no idea of what became of them.

I am well and trying my best every day in all my undertakings. I have taken up stenographing last month and getting along very well so far.

I often get homesick for dear Carlisle and sometimes I would feel sorry that I left Carlisle too soon. I often longed to go back but since I entered this Institution I could not very well go until I finish here. I expect to graduate here next year if nothing happens. I also want to take up more studies after my graduation from here. I have not decided as to what course to take but I have a great liking to commercial course.

Please remember me to my old friends at Carlisle. In the meantime I shall remember that great Institution for Indians as long as I live.

Our addresses is Sherman Institute, Riverside, California.

I remain your friend,

Stephen W. Knox.

Dear friend:-

I have your letter of the 16th inst and have mailed you a copy of our Commencement Arrow and sent Miss Lomas a copy of the May Red Man. I will be glad to send you a copy of our Commencement Red Man when it is ready.

Your letter and many others like yours which I receive from the graduates and ex-students of this school, are a great encouragement to me in the work I am trying to do for the Indians here. I am glad you have not forgotten what Carlisle taught you while you were a student here.

With best wishes for your continued success,

I am

Very truly yours

Superintendent.
